Greetings Mountaineers!

We wish you a happy holiday season. However you celebrate, there's much to be thankful for, and much to look forward to. Cheers!

In a day or two, the days will start their long slow climb out of the darkness, but the cold will linger longer than we could want. But it is a fine time to be making your plans for the 2025 season of Airstreaming. With that in mind, we present:

The NEMAC 2025 Rally schedule

We're happy to share with you our rally schedule for 2025, the Early Bird edition. There are eight rallies planned in five States and one Province. Some of them are not ready for your action, but there are three that need your prompt attention – they are in bold face on the rally list – because reservations at those locales tend to be booked very early. They are the

- **Fishermens Memorial State Park**, Narragansett RI (October 24-26)
- **Region 1 Rally in Nova Scotia** (September 4-7)

Information about reserving your spaces at these rallies is on the 2025 rally schedule.

Reservation Fee

Starting with the 2025 season, NEMAC is asking you to pay a \$6 reservation fee when you sign up for a rally – let the NEMAC host know when you've booked your site, include your cell phone number, and our treasurer Pat Hynek will invoice you via Square for that amount. We hope this will not be too painful for you, and it will help build up our club's treasury for rally enhancements.

Time to renew!

Thank you to our members who have already renewed for next year. If you haven't done it yet, please go online at AirstreamClub.org to complete your renewal this month. Your information will be included in the 2025 membership edition of the Blue Beret – if you get it done by December 31.

Regrettably for the first time in many years, Airstream Club International has had to raise the annual dues -- now \$99 up from \$75. Membership in NEMAC and other local clubs remains at \$15 however.
