Things to do:

Clark Farms Fall Festival, Matunuck. Great way to spend some time. Award winning corn maze and other attractions. Clark Farms is going to create a coupon code just for our group that gives us 50% off ticket price and allows us to buy in advance, which I would highly recommend. www.clarkfarms.com

Matunuck Oyster Bar, Matunuck. Take a tour of the oyster beds and learn about the shellfish farm. www.rhodyoysters.com

Ninigret National Wildlife Refuge, Charlestown-over 4 miles of hiking trails. Over 250 species of birds have been seen here. A bird lovers paradise

Ninigret Park, Charlestown (different than the Wildlife Refuge)- Check out the giant trolls at this park

Hop on over to Newport for the day or head west and see if you can spot Tay Tay and Travis over in Watch Hill!
