

Happy New Year!

As many of you know, our Region 1 President, Michael Giunta, had set a goal to distribute a Master Rally list for 2025. Below is that list along with the contact information for each club. This list is fluid and there may be changes as we move through the next several weeks but it at least gives you the opportunity to see what other clubs are doing outside of your home club. Please reach out to the contacts listed for more information or answers to any questions.

Why not try something different this year? Let's mix it up!
