More Than Corn: Indiana's Best-Kept Secrets

Indiana is a very interesting place to be ~ here are some fun facts to prove it!

* Indiana is where Santa Claus actually is. The town of Santa Claus is a delightfully fun little town where it's Christmas year-round. It is literally someone's job in Santa Claus to answer letters from children all over the nation. And there's an amazing holiday-themed amusement park.

* There are a little over 900 lakes in Indiana. The largest man-made lake is Lake Monroe, which is 10,750 acres in size. The deepest lake is Lake Tippecanoe, up to 120 feet in depth. Bottom of Form

* The state insect is the firefly.

* Numerous notable celebs are from Indiana: Michael Jackson (and the Jackson 5), David Letterman, Axl Rose (of Guns N' Roses fame) and cartoon favorite Garfield the Cat (from Fairmount, IN, according to creator Jim Davis.)

* There are more than 100 wineries in Indiana. When people think of Indiana, usually the first thing they think of is something like "corn", but maybe it should be "wine".

* There are catacombs beneath City Market in Indy. In this case, the catacombs were used to transport goods and inventory from place to place, but now they're quiet - except for in October, when tours are offered.

* Indiana has more miles of interstate highway per square mile than any other state. INDOT manages about 29,800 miles of highway. The I-65 used to be the longest interstate in Indiana (261.27 miles long) until it was outdone by the I-69 (294 miles long).

* We can thank Indiana for things like rear-view mirrors and sliced bacon. Who cares about things like sliced bread when you can have sliced bacon!!

Message from President Tom Price

Greetings to all CIAC Members! It's 2025!

It truly is an honor to serve as your 2025 CIAC President for this upcoming year. Like any organization that has volunteer leadership, the strength and success of an organization comes from its membership and those who step forward and volunteer their time and energy to help steer that organization into the future. A big Thank You to our 2024 President Jon Schwenke and past officers for continuing the great leadership we have and will have in the CIAC. I'm overjoyed for the future of this Club!

#CIACSTRONG

What an exciting year we have planned!

Our Saturday March 8th Luncheon scheduled at 12 noon will be held at Brozinis Pizza in Speedway, Indiana. Unbuckle a belt loop and get ready for a treat. Warm up your bowling arm to join in on a friendly game.

May 8th through the 14th our CIAC season opener will be held at the 2025 Region 5 Rally "A Racing Good Time" located at the beautiful Fitness Farm.

The Mid-Summer Murder Mystery Rally will be hosted by the Shinn and Masone families scheduled for June 13th-15th at Rockville Lake Park. This rally will be held in a private campground with blocked sites reserved for our club. The excitement is stirring for this one! Our hosts have some awesome plans for this gathering.

Our Buddy/Grandchildren Rally scheduled at Indiana Dunes S/P on July 11th-13th will be hosted by the Boyer and Price family's. Reservations have come and gone, but it looks like we will have a great turn out and exciting plans for this rally.

My family is looking forward to attending our 5th consecutive International Rally in York, PA August 23rd-28th. The International rallies are usually the highlight of our year when we can come together, celebrate life and the lifelong friendships we have made from all over the country.

The special Region 5 Fall Rally in Madison, Indiana will be held at the Jefferson County Fairgrounds on September 24th-28th and hosted by the Reinshagen, Atchison and Martin families. This rally will have blocked sites and coincide with the Madison Chautauqua Festival of Art.

Rebus Brain Teaser

A rebus puzzle is a type of brainteaser that uses pictures, symbols, and letters to represent words or phrases. The goal is to decipher the images and letters to form a common saying or expression. For example, a picture of an eye followed by a heart and the letter "U" would represent the phrase "I love you".

Tiny Tabs, Big Impact: Airstreamers for RMHC

Who has the most Pull?

Future Streamers are collecting pull tabs from aluminum cans to be donated to the Ronald McDonald House Charities of Central Pennsylvania during the 2025 International Rally in York, PA.

Let's see who has the most pull!

We challenge each region and club to see who can make the biggest impact from these tiny tabs. And each time you pull a tab, it provides a fantastic opportunity to share with those around you why you save those little pieces of aluminum.

Collected tabs will be tallied by weight.

Did you know - a gallon size bag of pop tabs weighs roughly 2.5 lbs?
Donations are also accepted!

Future Streamers know the importance of being together with your family when your child is critically ill or injured.

Ronald McDonald House Charities help make this happen and, believing in their mission, we want to help RMHC.

Please share this with your family and friends – even small contributions can make a vast impact. Your participation is essential to our success and to the families RMHC supports each night.

We sincerely appreciate your help.
