

ITCHIN' TO HITCH RALLY

Belle Isle State Park

March 13 – 16, 2025

The Spirit of Virginian Airstream Club rally season is beginning with all of us “Itchin’ to Hitch”. Did you ever want to camp in the winter? (With almost guaranteed nice weather.) Here is your last chance since spring arrives four days after the rally!

Belle Isle State Park is in Irvington, VA along the Northern Neck's Rappahannock River. It offers a wide variety of tidal wetlands interspersed with farmland and upland forests for hiking, kayaking and sightseeing. Wildlife includes bald eagles, osprey, blue herons and hawks. Check out the park: www.dcr.virginia.gov/state-parks/belle-isle

Group activities are in the works. We are looking into: a group dinner, oyster eco tour, history tour and a wine tasting.

We have reserved 15 campsites with water and 30/50-amp electric. A full-service bathhouse and dump station are on site. Sites will be assigned after we receive your Jotform registration and payment.

The campsite fee for three nights is \$113. The rally fee is \$10 per person.
