Most don't want to leave to go back and cook dinner, so just plan to stay and enjoy the potluck appetizers. We'll have a group campfire after dark.

Saturday 8am Breakfast will be provided. Bring your set ups!

FYI Rally etiquette- no pets around when food is served, but they are welcome at all other times!

9am - Noon Seminars and Demonstrations (More details to follow and a survey so that you can tell us what you want to learn).

1-5pm Lunch on your own, explore the area, make new friends, stick around and learn some more, help with dinner prep, or enjoy a well deserved nap!

5pm Happy Hour- BYOB

6:30pm Dinner is provided - TACO BAR We've got the food . You bring your set ups and appetite. Followed by a campfire.
