

# Sneak Peek Time!

We are excited to share with you more details of our days at Stampede

We are definitely getting a VIP experience!!

## DAY 1

Live Music, Food and Drink at the Rangeland Tent

11:00 am - 1:15 p.m. – Arrive and enjoy the live entertainment and a mouth watering lunch buffet. Maybe some country dancing?! There is a bar available and all attendees will receive one drink voucher. There is also a private outdoor lounge area for you to relax in, if you need to get away from the hustle and bustle of the Stampede.

1:15 - 2:00 p.m. - Move to your reserved seat (best in house!) and settle in for the Rodeo.

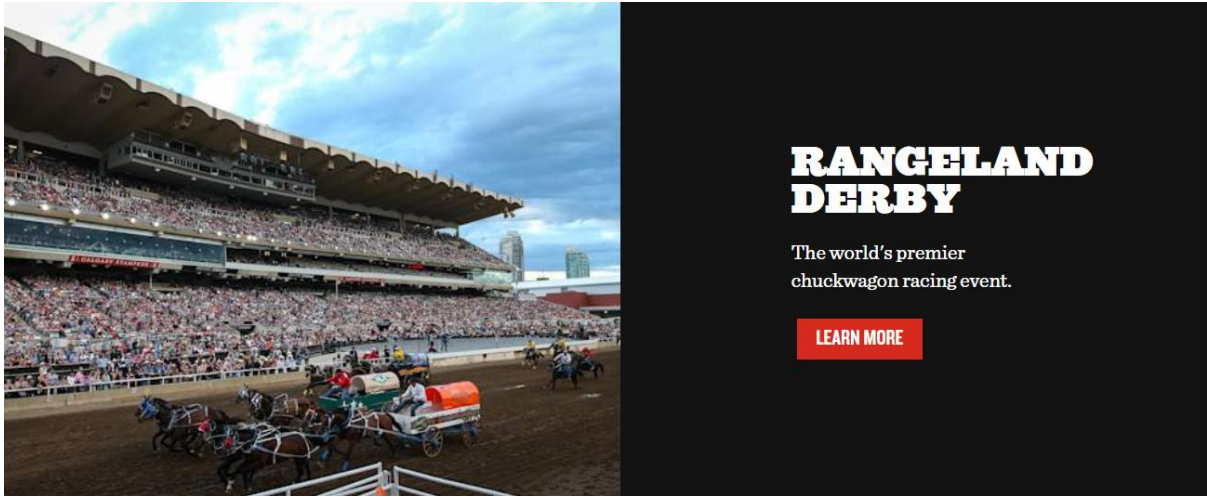

1:30 p.m. – Calgary Stampede Rodeo afternoon begins.

4:00 - 4:30 p.m. – Rodeo concludes.

Post-Event - Explore the rest of what Stampede Park has to offer.

## DAY 2

Excitement with the [evening program](#) and time to explore!

Again, you have reserved seats for the Derby and other events at the GMC Stadium. We will be arriving in the early afternoon so you have time to explore what Stampede has to offer shows, the midway and of course...the food! Like any large agricultural fair, there are many animal related events...4H Shows, Sheepdog trials, Livestock Exhibition, to name a few. We finish the evening with music, spectacular stunts, and jaw-dropping pyrotechnics.

Here is another idea to add to your Stampede adventure...The Parade!!

Come a few days early and experience the Parade on Friday morning. This parade is HUGE, from bands to horses and everything in between! Connect with other rally attendees to organize a carpool.

Which brings me to the next information. For those of you who have registered, stay tuned for an email in the next week or so that will invite you to a closed Facebook group. In the group we will be posting helpful information on the rally, Stampede, etc. It is also a way for rally attendees to connect and share ideas. Maybe an informal caravan to the rally? Or getting together to try a Caesar at the Aspen Crossing pub?

**But let's first start with registering for the ACI Stampede NER Rally 2025! Click on the button below to go to the Stampede Rally 2025 website to learn more details of the rally and to register.**
