## Message from the President

Hello and Welcome to the first newsletter of the new Georgia Airstream Club!!!

This is an exciting time for all of us as we move forward on this great adventure. I would like to introduce myself. I'm Jill Rabb, I am the President of the Georgia Airstream Club and I live in Greensboro, Georgia. I am a wife, mother, daughter, sister, friend and a huge fan of Airstream. I am also the Region 3 membership chair.

My husband, Alan, and I will be married 38 years in May. Alan is the International Finance Director and the Region 3 Treasurer. As you can see we both love Airstream and have been Airstreaming for 6 years.

We have two boys. Our oldest, Chase, is in Orlando with his wife Rebecca and their son Henry, who is almost 2. Chase is a manufacturers rep in the petroleum business. Our youngest, Spencer, lives in Atlanta with his girlfriend Amy and they both are CPA's and living the dream. We have 2 furry babies. Bogey and Bella. They are our 10 pound traveling companions. They love camping as much as we do – they are great travelers.

I both welcome and NEED your input for this club to succeed. Your ideas and suggestions are ALWAYS welcome. Please let's remember this is a camping club and not a corporation, we are here to camp and have fun. I'm here to listen and help and I will do my best to incorporate your ideas.

A group of us started the conversation about forming a new club last year and we finally decided to get the ball rolling this January. Our charter was just approved and I want to thank our founding members in helping to make this possible.

February 1, 2025

Try this awesome recipe from Sherry Johnson! Seems fitting for the first recipe to include peaches!

### EASY Peach Cobbler

2 pounds of frozen peaches  
1 box of yellow cake mix  
1 can of diet 7 UP or Sprite

Preheat oven to 350 and spray a 9 x 13 baking dish with cooking spray. Spread the frozen peaches out evenly covering the bottom of baking dish. Sprinkle the entire bag of dry cake mix over the peaches. Slowly pour the 7Up or Sprite over the cake mix. Do not mix. Just pour it on top to cover the cake mix well. Cover the cobbler with foil and bake for 20 minutes. Remove the foil and continue to bake for another 40 minutes.
