

## *Looking Ahead to Fall!*

### **Dueling State Park Rally October 16-19**

We are staying at Garner State Park in full-hook-up sites, but since it is FALL we can enjoy the beauty of Lost Maples State Park! We have 16 sites booked and 12 are already spoken for. Itinerary for this weekend is not final, but here's what is on the agenda:

1. **Let's get moving!** – Both Garner SP and Lost Maples SP both have awesome hiking or biking trails. We will probably plan a hike in one or both parks. Think FALL. Birding in both parks are also popular.
2. **Let's make Limoncello!** – Bob Grimes will demonstrate how to make Limoncello and there will be some tasting that will be happening. Yum-O
3. **Let's learn Dutch (oven)!** – Mike Green is willing to share how to make his famous Peach Cobbler using a Dutch Oven. If you've had it, you know; I may not learn, but I will most certainly eat.

We will also plan a group lunch at Bent Rim Grill in Leakey, TX. Additional activities will be added to the itinerary if you wish to do them on your own. There will be a Rally Fee for this rally, but has not yet determined since we will need to rent a group facility for us to meet, eat, and mingle (typically around \$10-\$15 per person).

The folks who have already signed up are: Green, Rush, Grimes, Buck, Ebbers, Michek, McKee, Jackson, Fegley, Johnson, Davis, Sykes/Mallan. If you aren't on the list and would like to be on this list, send me an email – [Ally.Ebbers@gmail.com](mailto:Ally.Ebbers@gmail.com). Once the list is full, I will let you know that you are on a waiting list. If you wish to cancel, please let me know as soon as you can so that I can fill the spot.
