## Presidents Message:

I won't say that we partied like college students on Spring Break (...out loud), but our Auburn Rally was awesome. Thanks to Amy, Lamar, Jason and my wife (and Buc-ee's) for awesome eats and great tours! Too bad we couldn't catch a March Madness basketball game!

Your leadership teams were hard at work in March. We now have our Constitution & Bylaw edits being reviewed by corporate, and our motion to update our club flag is up to Region 3, pending forward to corporate!

If you're looking for more rallies to join, sign up now for Champion's Run (May), Travelers Rest (Oct), Port St Joe (Nov), and now Brunswick Georgia (Feb '26). Some of these campgrounds will be releasing our blocks of sites soon! And then don't forget to go out to [Airstreamclub.org](http://Airstreamclub.org), to the appropriate Club Event and Register!

We're still looking for more hosts and volunteers to keep the fun rolling! If you're interested or have questions, please contact me ([mykidsdadof4@yahoo.com](mailto:mykidsdadof4@yahoo.com)) or Carol Montague ([montaguec43@gmail.com](mailto:montaguec43@gmail.com)).

See you in St Augustine in a couple of weeks! And if not, Wander Widely!

~David

## Rally Recap

Spring break this year found us at Chewacla State Park in Auburn, AL. Chewacla is a beautiful park located outside of Auburn, home of the Auburn Tigers, and just down the road from Historic Tuskegee. Cooler weather cut Thursday short for most, with some heading out for dinner and others retiring early into their campers. Friday was football day, and after breakfast we headed to Auburn University to tour Jordan-Hare Stadium.

Three Auburn marketing students led our tour and did a fantastic job! They were even very tolerant of our Gator, Crimson Tide and Nat'l Champion Ohio State Buckeye fans. We visited the Tiger Den, Media Room, Broadway Suite, Heisman Room, the Tiger Locker Room and were even able to stand alongside Pat Dye field. The tour was spectacular and Jordan-Hare Stadium is an exceptional facility. Can I get a War Eagle!! Friday evening's Taco Bar capped off a much warmer evening. Saturday was about fighters, and after breakfast we headed over to the Tuskegee Airmen National Historic Site.

The Tuskegee Airmen were determined young men who became America's first Black military aviators in the Army Air Corps (AAC), a precursor of the U.S. Air Force. They flew more than 15,000 sorties in Europe and North Africa during World War II, with great distinction! In addition to some 1,000 pilots, the Tuskegee program trained nearly 14,000 navigators, bombardiers, instructors, aircraft and engine

mechanics, control tower operators and other maintenance and support staff. The museum and grounds were an interesting history lesson in perseverance for everyone. Buc-ee's was the next stop for most, because who can pass up a Buc-ee's brisket sandwich and beaver nuggets? The afternoon found us napping, visiting and exploring the park's waterfall. Saturday night, David manned the grill and cooked up burgers for everyone. A special thanks again to Jason, our club barista, for hot and delicious coffee each morning. And welcome to our first timers, Elwood and Patricia McElhaney from Tallahassee, and Vicky Lawrence and Jay Roach from Panama City.

**From the Historian’s Desk... Don’t go Color Blind!**

Hey fellow Big Benders and Affiliates. After an incident occurred with fellow RV’ers at a local BP gas station, and seeing this mishap re-occur more than a few times, I felt it worth a quick word. About a year ago, a fellow camper pulled into the BP at I-10 and S/R 19, in Monticello, FL, for fuel and a bite to eat. The problem was that this gas station does not sell diesel, but all the fuel handles are green. Unfortunately the diesel tank got filled with gasoline, but thankfully the error was realized not long after. The driver did the right thing and shut the rig down immediately and had it towed to a diesel repair shop. The good news was that their quick action saved the engine. And after an unplanned delay, they were safely back on their way.

Since that incident I have witnessed on more than a few occasions, a repair vehicle pumping out the tanks of other campers, fifth wheels and a small delivery truck. I’m not sure why BP hasn’t done something to warn of this hazard. So please be careful at all filling stations and make sure the correct fuel is being pumped. Green is not always diesel!

See you down the road. ~Jason Friedrich
