Jekyll Island Campground

1197 Riverview Drive      Jekyll Island, Georgia

As we focus on our upcoming May rally at Jekyll Island, we have 20 units registered to attend and we are looking forward to a great rally on this beautiful state park island. Some scheduled highlights of the weekend include a group dinner at the Wee Pub (Thursday night), a ranger-guided tour of Fort Frederica (picnic lunch) and a tour of the historic Christ Church on St. Simons Island (Friday). Perhaps you'd enjoy a walk on Driftwood Beach (#3 best beach in the US), a trolley tour through the historic residential area, a bike ride on the many trails throughout the island, a visit to the Georgia Sea Turtle Center and Rehabilitation Facility, or perhaps a horseback ride on the beach. There are many more opportunities you'll have to tour this barrier island during our rally. Please look on-line to see other places to visit since we can't list all of them in this newsletter.

P.S. If you haven't pre-registered for this rally and would like to attend, please contact me for further information (843-259-1937).
