May 2025

What to say about Lake Greenwood's Rally for the month of May? Let's start off with the pre-rally day(s) leading into the official rally.

The story goes, friends sitting around a campfire thoroughly enjoying perfect weather, stories, and dinner together. When the evening ended, our friends, Jason and Maureen, went back to their Airstream to a watery mess. Apparently, a pressured water line decided it couldn't "hold it" any longer. We were super sorry to see them leave the next morning (Welcome to Camping 101). We can't wait to see y'all at the next rally.

Shortly after the watery mess, Scotty and Darlene, who hadn't made a club rally in a minute, had to leave due to a medical issue that was absolutely not fun. Darlene, you get an "atta girl" award for just trying to make it through the rally. P.S. Next time leave your canopy if it is supposed to rain. Lol

So, by official rally time, the men were thinking, More Food For Us! Our host Bill, Kathy, Marvin, and Judi pulled off another great rally with **PINK Flamingos**. Bill and Bernie's cast iron Donuts covered in powdered sugar and fruit to get Saturday morning started was perfect.

Of course, some of us made it out to the local pickleball courts to mix it up with the locals. There was also shopping, farmers market, winery, Mexican restaurant on Friday night, and pizza for lunch on Saturday.

Then Saturday evening between rain showers, our hosts were able to pull off a somewhat dry meal due to Marvin's marvelous weather prediction skills. Our meal included pork loin cooked to perfection, au gratin potatoes, green beans, and apple sauce along with sourdough bread. Always a treat from our club's bakers.

It was nice to have Mike and Debbie Gaskins, who haven't rallied with us in a while, along with their new dog, Sunny.

We are all keeping Ronnie and Candee in our thoughts and prayers. (We miss you both so much)

It goes without saying we send our tremendous love and support to Lynn Porter and family.
