Greetings Mountaineers!

Here in northern New England, spring is in full gear – the mud has dried up (mostly), the grass at our house is long overdue for a mowing, and we can actually enjoy being outside. And no snow in the forecast, yet. Yee-haa!!

The NEMAC 2025 Rally list, version 2.2

We have added the names of rally participants as we know them. If you want to add your name to the list, contact the rally hosts.

If you haven't already found it, you should check out **NEMAC's rallies and events page** on the Airstream Club website – you'll find good, *up-to-date* information there. With a little digging, you'll also be able to find other club's rallies as well. Here's the link:

Mountaineer TripShare E-mail Group

Let's say you're planning your own trip to Boothbay or Letchworth State Park or Jersey Shorehaven Airstream Park or ???, and you think other members might be interested. Or you're still looking for inspirationally good ideas for a trip.

To that end, we are reviving the NEMAC *TripShare* email group for members to share their plans. If you choose to join the group, you will be able to see where others are going, and to share your own trip plans with them. We're sending an email on this subject with this email -- try to reply by May 20 to opt-in.

Your travel information will only be available to the other members of the group. It will be an open group – your email address will be in the "TO" space, not hidden in "BCC", so you can communicate directly with another member about their plan.

Here's a sampling of **last year's** trip share information—and some great camping recommendations:

Thank You

If you were one of the 33 Airstreamers who contributed a total of \$3200 to the Mary Lehner Recovery Journey, thank you. The Lehnners are deeply grateful for your generosity and support.

Membership chair vacancy

NEMAC has an opportunity for someone to serve as the club's Membership Chair. You would be the Club contact for prospective new members and explain the purpose and objectives of the Wally Byam Caravan Club International. You would extend invitations to prospective members to attend a rally or meeting. Also, coordinate with the Treasurer to ensure having an accurate list of paid-up members, and assist the Treasurer, as needed, in following up on all members who have not paid their International or Club dues in a timely manner. If that would interest you, please contact Paul Hynek, NEMAC President, xcskiwt@comcast.net

Membership Directory

With this newsletter, we're attaching the current edition of our membership directory. Membership code indicates regular member (R), affiliate member (A), new member (N). and the year of the last renewal (hint: it's not too late...) Please communicate any corrections.
