- Donna Thorson has been a great addition to the newsletter team.
- New sections have been added to the newsletter: "in this issue", "Coffee Notes", "Airstream Pinup", "How to Submit to OAC Streamer", and various links to areas of interest to members.
- One goal for the team is to capture every rally in the newsletter, so that members can use that as a reference to see what a rally is like when deciding on the rallies to sign up for next year.
- Thanks to all the cub reporters who contribute the summaries and pictures from the rallies, they make this possible.
- It was commented that at the International club level the Oregon Newsletter is one of the top publications in the club, well deserved recognition from the parent club, congrats to the newsletter team!
