OUR EVENTS

Shakedown – is a very informal gathering in the spring and gives us an opportunity to get together, renew friendships and make new ones, dust the cobwebs off our rigs and make sure everything is in good working order for the upcoming camping season. The weekend will likely involve a potluck and casual get-togethers.

Rendezvous – another opportunity to get together and a little more structured than a Shakedown. Subject to the Hosts' planning, it may include a potluck meal and other activities or events.

Winedezvous – much like a Rendezvous but takes place in wine country and includes excursions, tours of wineries and tastings.

Rally – as well as getting together, a Rally goes one step further and includes some organized meals, entertainment and may also include training seminars and other activities. Our Club holds a yearly Spring and Fall Rally which involve a business meeting, and the Fall event is our Annual General Meeting.

It's not where
you are, but
who you are
there with.
