

# Region 7 Airstream Club Audit Results

## Fiscal Year Ending December 31, 2024

After reviewing the January 1, 2024 - December 31, 2024 financial records of the Region 7 Airstream Club, I find the books to be in order.

Copies of the final Region 7 Profit and Loss Statement, Cash Flow Report, Net Worth by Month, and individual Profit and Loss Statements for the Region 7 Breakfast at the International Rally and the Region 7 Rally are attached.

Cordell Woods has done an outstanding job keeping detailed Quicken records by attaching electronic copies of receipts, check copies, and memos to create complete records. It was simple to verify payments against proper receipt backup electronically. Bank statement balances were matched to their Quicken accounts, along with activity and balances in PayPal. I did not see any area needing improvement or change.

I enjoyed working with Cordell, the Region's finances are in capable hands.
