President's Letter June 2025

By Jill Rabb

I just love springtime. I think it is the perfect time of year. Everything is so lovely, fresh and May is a sign of a new beginning. Speaking of fresh.... The month of May has popped a new interest in the Airstream Popcorn Bucket Mania.... How many of y'all went crazy to buy your Airstream Popcorn Buckets from the AMC Theaters? I have my hand up. I went a little crazy trying to track down these cute little silver gems. It is amazing the details are so accurate on this itty-bitty airstreams. The wheels even roll!

Airstream Club International has had their grand opening for the new office. When you are in the area please stop by the office. It is well worth the trip!

Jenny Schettler and Team have created something very special! A huge round of applause goes to the hard-working group of people who worked so tirelessly for months to complete the office renovation.

Speaking of working - you can contribute to the Headquarters future renovations without even leaving your home. Below is a form so you can order a brick. They will be placed between the History Center and the Headquarters to create a walking path. A brick purchase is a great idea for birthdays, graduations, anniversaries, or any other gift you can think of. We have ordered ours.

*Enjoy the journey and be kind to each other,
Jill*

Treasurer's Report for May 2025

Assets:

After having successfully establishing payment processing, we have begun receiving rally fees into our account with a continued increase in our assets. I propose we wait one more month before beginning reimbursements for startup expenses, but we are on track to start making those reimbursements. I still owe the club sending founding member invoices to collect founding member dues.

Assets

Category	SUM of Amount
Dues	600
Rally	172.4
Grand Total	772.4

Liabilities:

I have had no additional expenses reported in the period so liabilities have remained the same.

Hey everyone.

Jill and I recently stayed at a very nice campground that I wanted to share with all of you. It's Charles Mill Lake campground in Mansfield, Ohio. The old Ohio State Penitentiary built in 1910 is in Mansfield. The penitentiary is known for being the location where Shawshank Redemption was filmed.

Jill and I stayed at Charles Mill Campground on our way to Jackson Center in May 2025. Jill and I rate all the campgrounds we stay at on a scale of one to five - we gave this campground a five. Many of the sites are on the lake, all sites have level concrete pads, a fire ring, nice grass and river rock around the power poles and water and dump areas - all sites are full hook up. They also have nice bath houses. Each bath house has an individual room with a toilet, sink and shower complete with a locking door. The bathrooms are VERY clean and the showers are all tiled and are nicer than many homes I've seen. The cool thing about Mansfield is that it is only 120 miles from Jackson Center. If you find yourself going to the mother ship, the ACI office or having repairs and modifications done at Jackson center then Charles Mill Lake Campground is a must see and stop.

Simple Peach Lemonade

This Simple Peach Lemonade is the perfect drink to cool off with. It only takes three ingredients to make, and you don't even have to turn on the stove! Without the wait for a simple syrup to cool down, this can be enjoyed immediately. It's sweet, a little tangy, and just the right combination of lemons and fresh peaches.

Prep Time	Total Time
6 minutes	6 minutes

Ingredients

- 3 medium peaches, peeled, pitted and roughly chopped
- 1 cup freshly squeezed lemon juice, from about 5-6 medium lemons
- 3/4 cup granulated sugar
- 7 cups cold water

Instructions

1. Place the peaches, lemon juice and sugar in a food processor or blender. Blend until completely smooth and the sugar has dissolved, about 1-2 minutes. Taste and add more sugar if desired.
2. Pour the mixture into a large container and whisk in or shake the 7 cups of cold water to combine. Store in the refrigerator, shaking or whisking before serving.
3. To serve, place a handful of ice cubes in serving glasses, shake or whisk the container, then pour over the ice. Serve immediately with peach and lemon slices as garnish, if desired.

Qira was beaming after receiving a delightful treat from the Margaritaville drink cart, just as Veronica enjoyed her own margarita! A big thank you to the considerate bartender for ensuring both Veronica and Qira were thrilled! It's a fantastic place to visit, and we highly recommend.
