President's Message

One of the most rewarding aspects of owning an Airstream isn't just the quality craftsmanship, reliability, or timeless value of these iconic trailers—it's being part of an incredible community of owners.

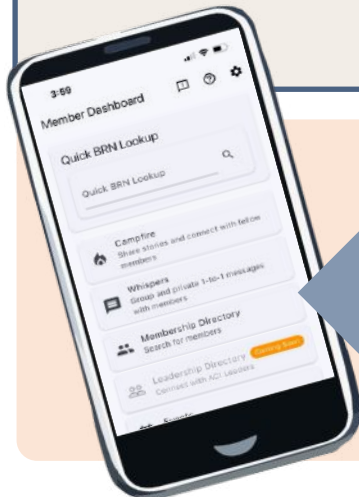

Airstreamers are known nationwide for their camaraderie, generosity, and shared passion for adventure. Whether meeting up at a rally or connecting on the road, Airstream owners go out of their way to support one another and build lasting friendships wherever their travels take them.

Here in the Missouri-Kansas Airstream Club, I am especially proud of our members' willingness to pitch in, volunteer their time, and share their talents. Whether it's organizing events, offering technical know-how, or simply lending a hand to a fellow traveler, our club exemplifies the true spirit of the Airstream community. This dedication strengthens the bonds between us and ensures that everyone—newcomers and longtime members alike—feels welcome and valued.

Thank you to all our Mo-Kan Club members for your enthusiasm and generosity. Your efforts make our community stronger and remind us all why being an Airstream owner is such a special experience.

Safe Travels!
- Monty

Community Service Update

Tie-dye event at "Camp Wally B"!

We had a blast tie-dying tea towels, scarfs for pets and t-shirts at the "Camp Wally B" rally this past weekend. We asked for donations to participate and collected \$170 for our Common Cents for Kids fund. Thanks to all our Mo-Kan Club members who participated and donated! And a special shout out to **Stephanie Porto**, who provided our club with this fun & creative opportunity. Check out some of the fun memories and creative projects below!
