President Message: As the Azalea blooms fade and the peonies burst into color, and spring rains {and some squalls, and tornadoes} fall, we find that spring has arrived and it's time to get movin'. I know that some of you have been on the road all year, but for the rest of us its time to clean and polish, repair and hit the road!!

As many of you know, Steve had triple bypass surgery last of March, which will seriously impact our ability to camp until the end of May--- when he will be able to lift enough to hitch up the trailer. Until then, we'll be camping vicariously through your experiences!!

Although we couldn't share in the rolling rally to Amana, we did drive to Sedalia and shared dinner and evening of friendship and "catching up" with Joe and Joanne Pierro, John and Colette Krupco, Rick and Marsha Keith and John Baker and Charles McFarland. We truly enjoyed the time and are sorry we are missing those in Hannibal and Amana.

The club is still looking for individuals to step up and fill the positions of First Vice President, which would move up to President in 2027 and Recording Secretary. Are you Available????

As you schedule [???] your life the following weekend for our installation rally!!
September 25th – 28th, This will be our annual meeting. Location: Big Red Barn RV Park, Carthage, MO. 417-358-2432. Tell them your with the airstream group. Please also confirm with Jane at 417-619-2097 or e-mail 5jmathias12@gmail.com

If anyone has a place, they would like the club to go to please let us know for a October Rally or a 2026 Rally.

We will be heading to the International Rally in York Pennsylvania in August, but hope to see you before that.
