President's Message by Lynn M.

This marks ACI's 70th anniversary, and ACI President Eric McHenry has requested that clubs include ACI history in their rallies this year—happy 70th, ACI!

ACI and Region 12 have requested that we distribute the pet policy as a reminder to our members who travel with their pets.

Pet Policy: Well-behaved pets are always welcome at rallies; however, the following rules must be observed. Members traveling with pets are responsible for knowing and adhering to the pet policy at each individual RV Park or campground location. All pets must be kept under control on a leash when outside the Airstream. Owners must clean up after their pets. A size-appropriate pet containment system may be used at the campsite, unless prohibited by RV Park rules. Pets are not allowed in buildings or at outdoor gatherings while food is being served. Service animals will be permitted in accordance with State laws and the Americans with Disabilities Act (ADA) policies.

Registration for the Region 12 Rally in San Dimas has been sent out. If you haven't registered, I recommend doing so soon. Additionally, a waitlist is available if registration fills up. This should be an enjoyable rally. I see that a few of our LVAC members have already signed up.

The Cali Rally is set for **April 16-19, 2026**. Registration will open sometime in August 2025.

Blue Grass Rally Lake Havasu 2025

By Jo Salzer

On the weekend of February 28-March 3rd, thirteen trailers descended on Lake Havasu State Park for the 23rd annual Bluegrass on the Beach Music Festival. This was a joint rally with our affiliates, John & Bonnie Ruskauff from the Utah Wasatch Airstream Club. We also ended up attracting a lot of Arizona Airstream Club members. We had five rigs from Arizona, four from Utah, and four from LVAC. It's so great to meet members from other clubs to exchange ideas, make new friends, and of course, enjoy the music.

Our hosts were again Bob & Sandy LeVan. This is the third year they've hosted, along with assistance from members Diane and Gary Chimko.

It's such a unique opportunity to camp right at the festival venue, just steps from the stage and beautiful Lake Havasu.

If you've not attended in the past, put it on your calendar for 2026. It's one of those rallies where you can invite your friends and all enjoy the music and festival attractions together.

Boulder Beach Rally March 2025

By Diane H.

The Boulder Beach Rally in April was a lot of fun. The weather was perfect. It was great to see our LVAC members. It was nice to catch up with everyone and see what they've been doing since the holidays and before their summer adventures.

Many of us went to Fox's Barbecue in Boulder City for dinner on Thursday, as always; Fox's did not disappoint. We did some crafting with rock painting, which I thoroughly enjoyed and plan to continue. On Friday night, Richard and Janette treated us to street tacos with all the fixings. The sides that our members brought to share were fantastic. Did I mention we had some tequila? The food was delicious. We were welcomed and met new members Phil and Maria. We had a blast playing the 'Right, Left, Center' game. Phil took the pot.

On Saturday, we explored the area, finished painting rocks, cleaned and repaired our Airstreams, hung out together, and had an LVAC meeting led by Max, our 1st VP. At the potluck, we played Crown the flamingo, and were treated to some tasty buffalo legs, i.e., big, fat chicken legs, ribs, and a ton of great food. We celebrated the birthdays of Max and Ade and enjoyed a tremendous amount of food. It was a grand time.
