Central Indiana Airstream Club – June, 2025

## Message from President ~ Tom Price

Greetings all CIAC Members,

Welcome June ! What a great month of May it has been with the 2025 50th Region 5 Rally and CIAC season opener behind us. The Region 5 Rally was a huge success here in Indianapolis and certainly was "A Racing Good Time". This Rally will go down in the record books as one of the Greats, with over 50 Airstreams in attendance, 100 plus members from all over the country (as far as California, Florida and Canada), three wagon wheel parking formations, great food, live entertainment, presentations by Woodland Airstream plus others, sponsorships from Vintage Basecamp, Woodland Airstream and the Vintage Airstream Club, a racing good time at the Sonsio Grand Prix, a great flea market day and a record breaking community service project that raised well over \$3500 for the "A Kid Again" charitable organization. I'm certainly proud of what we and all the volunteers accomplished during the Region 5 Rally and look forward to what the future holds for CIAC.

CIAC has some exciting rallies planned for June and July, starting with the Murder Mystery Rally, hosted by the Shinn and Massonne family's at Rockville Lake Campground. July's Grandchild/Buddy rally at Indiana Dunes State Park will be an exciting and fun filled weekend. Please see the attached flyers for more information.

I'm proud to say that we have two members of our club that have submitted their candidacy for the election process of Executive Council. Artie Martin and Carl Washburn, good luck to you both. I highly encourage you to do your research and vote and wish all the candidates good luck. For additional details on all candidates you may click [here](#).

Please check out the "Event Calendar" and consider joining us. Also make sure to follow our club on social media platforms such as Facebook and websites to keep updated on all upcoming rallies.

See You Down the Road !!!

Sincerely,

Tom Price

## Rebus Brain Teaser

A rebus puzzle is a type of brainteaser that uses pictures, symbols, and letters to represent words or phrases. The goal is to decipher the images and letters to form a common saying or expression. For example, a picture of an eye followed by a heart and the letter "U" would represent the phrase "I love you".
