A note from the President:

Thanks to the 39 Airstreamers who made the journey down to Jekyll Island, Georgia, for our May Rally. What a beautiful island with perfect weather and a gentle breeze all weekend to keep the bugs away. We had 3-days filled with bike riding, a group dinner at the Wee Pub, beach walking, shopping, GA Turtle Museum, trolley tours, Fort Frederica and Christ Church tours, campfires, music, birthday celebration, great meals together, and Esther even enjoyed a horseback ride. There was something for everyone and we had a great time together. Thanks to our hosts, the Hougues and Dawsons, and many others who pitched in to help during the rally. We have a great group of wonderful folks in our Club and I am so thankful for each and every one of you!
