TILLY'S TRAILS

As I sit down to write this, I realize that this is my last "Tilley's Trails" as Co-President with my husband, Trenor. We have had a quiet last couple of weeks, very busy with home errands, but away from the bustle of our earlier spring trailer rallies and our national caravan in the Canadian Rockies. We are headed to the Okanagan next week for a quiet few days of "just us" time in the trailer after a busy spring and summer of RV club events and family commitments.

The upcoming months still have plenty of opportunities to participate in Airstream Club #121 activities as the calendar in this newsletter will attest. I want to highlight, in particular, the possibility of attending the Golf/Installation Rally at Twin Lakes in mid-September. There may still be spots available and you would be most welcome to attend – contact the campground for information about camping space, then let John and Chris Millard know that you are coming. As well, the "Friends-Giving Rally" has once again been popular with members, including new members, but there are still spots available, so just contact Darlene from Fort Camping to reserve yours. For those who are unable to attend the whole weekend, do consider coming to the Sunday 5 October dinner at the group campsite at Fort Camping at 5 p.m. Please be sure to let us (Trenor and Barbara Tilley) know that you will be coming so that we can be sure to have enough food to go around. As well, the Christmas party at the White Spot restaurant on 264th and Fraser Highway will be held on the first Saturday in December at noon.

(Cont'd on next page...)

(President's Message cont'd from Page 1...)

As we usher in the new Co-Presidents, Rick Mattson and Karen Griffin, we want to take a moment to offer our thanks to the many people that have made our Presidency so enjoyable. We have noticed a resurgence of participation in these two years after the difficult years of Covid 19 when we were unable to gather as readily as we are now. Many members of ACI Club #121 have stepped up to lead events, rallies, and caravans in our tenure. Our thanks include John and Chris Millard for their guidance as our immediate past President and Secretary and as organizers of the Golf Rallies, Arlene Matches as our Newsletter Editor, Tom Akam as Treasurer and organizer of the weekly Tuesday morning breakfasts, Bob and Gayle Halliwell for opening their family's property to the annual Maintenance Rally (along with 'repairers extraordinaire' John Millard and Barry Hook) and for organizing the Fishing Rallies, Beverly Robson and Eileen Meston for organizing several Hedley Hoedowns and a lunch at a restaurant, Fred and Esther Kaethler for organizing the Vancouver Island Caravan, Karen Griffin and Rick Mattson for organizing the Caravan to the Region 10 Rally in Coeur D'Alene, Idaho and for several fish fries, Carol Hale and Glenn Friesen for organizing the Seal Bay Rally, Co-leaders J and Mona Kinder and Lori and Bryan Grassi for the joint B.C./ Washington Rally in Oliver, Terry Gamache for the Enderby Rally (that we had to miss, unfortunately), Bernice and Brian O'Shea for organizing the 2025 Hedley Hoedown, and to so many who have brought food to Happy Hours, and words of encouragement to us both.

We will not be gone from the club, and we hope to continue to contribute in whatever way we can. We wish Karen and Rick the very best as they pick up the torch and continue this wonderful club's work.

Seeing you "down the road", we remain,

Barbara and Trenor Tilley
Soon to be "Past" Co-Presidents

Friends-Giving Rally 2025

We have booked space for 20 rigs at Fort Camping in Fort Langley for our Second Annual "Friends-Giving Rally".

It will be held on **Friday 3 October to Monday 6 October, 2025**

PLEASE NOTE: THERE IS LIMITED SPACE:

Here's how you can join this amazing Rally:

1. Call Darlene at 604-888-3678 for your campsite reservation **no later than June 25, 2025.**
2. **Please advise us** (Trenor Tilley and Barbara Fraser Tilley at tilley2007@outlook.com or by phone at 604-290-2887) **when you have made a reservation with the site number.**

We have held 20 spaces in an area as a group camping together. It may be possible to book later, but you probably will not be located near the group.

There are lots of fun things to do over the course of the weekend – from wine tasting, visiting the local farmer's market, exploring B.C. history at the graveyard or at Parks Canada's National Historic Site at Fort Langley. You might enjoy a bike ride around the area, or you could just choose to relax and visit with other rally participants. Antiques shopping is also plentiful if that is your jam!

Sunday night we will hold a **potluck dinner feast** like the feast we held last year. We will provide Turkey, and we hope that **others will supply the "side dishes"** for a fabulous meal. Please advise us of any food sensitivities and/or allergies so that we can prepare accordingly.

There will be a **Rally fee of \$10.00 per rig** to cover the turkey and additional costs related to the feast.

Rick & Karen's "Viking Caravan" Adventure

We began our trip towards The Viking Caravan on May 20th leaving from Aldergrove, BC. We crossed Canada arriving on June 7th in North Sydney, NS. Karen, Eddie and I boarded the ferry to the island to Newfoundland on June 11th for the 8 hour ferry ride. The Viking Caravan was well attended and the sights were amazing. The attendees came from all parts of the United States with only 3 Canadians out of the 56 participating.

It would be difficult to do all the things we were able to do if we had been on our own. We were screeched in and became honorary Newfoundlanders, attended a shed party, kitchen party, private longliner cruise, cod jigging, cruise of Brooks Pond, saw icebergs, July 1st celebration in La Scie where the people went all out, picnic at one of the many lighthouses, Come From Away in Gander, Viking village, many interpretive centers and a private car museum of 58 one of a kind cars!

So much more. Chat with one of us at the installation rally for more! Put this on your bucket list if you have not gone. We liked it so much that we have signed up for 2027. *[See photos of Rick & Karen's adventure on the following pages].*

THE COMMUNITY CORNER

by Arlene

A reminder that pull tabs are once again being collected. Tom Akam is organizing taking these tabs in to be traded for \$\$\$ for charity....so, please save them and bring to one of the many functions (Tom hosts breakfasts every Tuesday and would be pleased to receive a bag of pull tabs).

I had a nice chat with Jeannie Jeffrey and learned she's doing better and managing to get around with the aid of a walker. I miss our Tuesday mornings at the Roadhouse where I got news of what's happening in the lives of our club members. I'm looking forward to attending again when I get back mid-September from my Airstream 'summer home' up at Earl's Cove (an Airstream isn't the place to spend a winter in my opinion).

I see (on Marketplace) that Rita and Dave Richardson are selling their 1987 23-foot Sovereign. (I'm glad they own more than one Airstream and will remain club members.)

Have you visited the International Club Website?

If you haven't visited the website for **Airstream Club International** - maybe now is a good time to grab a coffee and have a read!

This website is a fantastic resource for members and non-members alike. It provides an overview of the club's many activities, Rallies around North America and sometimes farther afield.

Non-member will get a lot of general club information - but why not log-in and dig a little deeper?

HOW TO LOG-IN? Just click on the yellow button at the top of the home page, then follow the easy instructions.

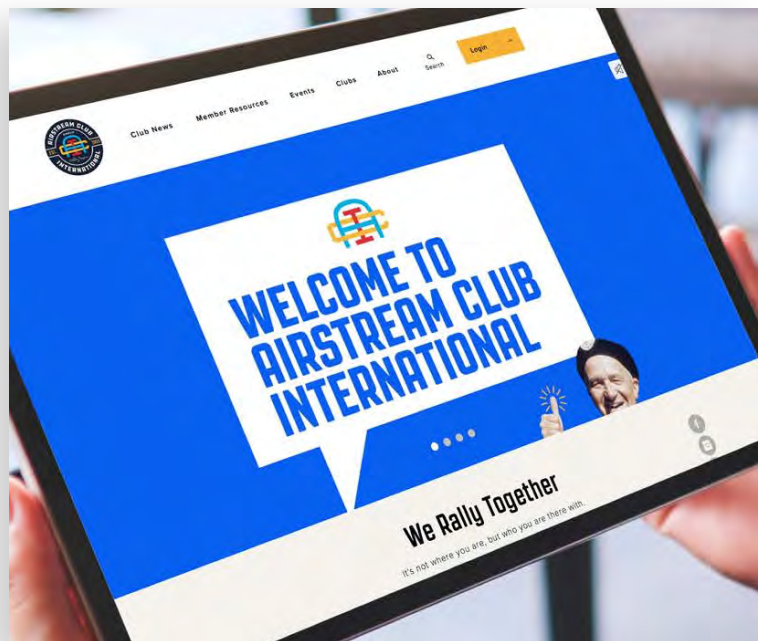

WHY? Members have access to A LOT more information, stories, services and many things that are the great benefits of joining this large club.

Such as:

- Current and back issues of Blue Beret Magazine - easy to read!
- The Blue Beret Blog for more stories, links and technical info, plus a member App to download to your smartphone
- Access to free member-parking for your next trip
- Discount on Harvest Hosts and many other memberships

Then - if you continue to dig - you'll also find many historical technical articles. That's where the true gold is hidden!

All in all, a great resource for owners of all Airstream products.
