Prez sez,

What a fast month August has been. It was a delight to have so many shiny trailers at Spillville near Decorah. Pre-rally activities included fishing outings for our seasoned fly fisherman's Scott A. and John W. who enjoyed

their nice quantities, while the rookie Flyer Tom S. grabbed a large spot light of Master Angler due to bringing in the record catch size. The Spreads, Terie W. and both Shirley and I took a relaxing float down the Upper Iowa River. Terie W and Earl and Deb G. also enjoyed the many bike trails. Thanks to our first time hosts Denny C. and Mugsy J. they worked so diligently to get the right mix of activities for all of us to enjoy.

Two days home, then on the road again for Tom and Wina S. and us to head toward Jackson Center and a tour of the factory. We enjoyed a night of karaoke at one of the resorts. We were also surprised at the many hills in Pennsylvania. We met up with some of the Iowa North Club at a state park north of York. While most chose to arrive in York early to participate in the scheduled tours like Gettysburg. We remained in Pinchot Park to participate with VAC rendezvous for a social on Thursday and Friday. We rolled into the International Rally at 7:30, parked, and set up by 9:30 and headed to Flag practice. The rest of the time was similar, we rushed from location to location, lots of learning, meeting new friends, dance for some, casino night, nice BBQ catered lunch hosted by Region 8. We saw many vendors like e-bikes, Airstream, Insurances, re-designers and re-furbishers, as well as personal items. It was good to see so many from Iowa: Darbyshire, Deetz, Spread's, Cole's, Dailey's, and Hermon's.

We have slowed down now for our trip to Chicago and the start of Route 66. We reflect on our time as officers of the Iowa Club and wish to thank each of you for the relationships and experiences we have shared with you all. From our first rally attended a Tri-Club of Iowa, Iowa North, and Minnesota in Clear Lake, Iowa. First of Hosting, a Pella Tulip Fest Rally, with so many more rallies after that.

Thomas Herron
