Central Indiana Airstream Club – August, 2025

Message from President ~ Tom Price

Greetings all CIAC Members,

Welcome August ! During the month of August this year we hope to see as many CIAC members as possible at the 68th Airstream Club International Rally in York, Pennsylvania: August 23-28, 2025. It truly is the highlight of my year, where we get to see, camp and enjoy time with all of the friends we've made throughout the country within this great club the WBCCI/ACI.

The CIAC 2025 July Grandchild /Buddy rally at Indiana Dunes State Park was great fun. Fellowship, awesome food, sand in our toes, kites in the air, a few mosquito bites and a great community service project that raised money for the flood victims in Texas all made for a very memorable rally. Thanks to everyone that attended and donated, especially Eli Lilly (via Kristy Boyer) for matching the money collected during the raffle.

Like any organization that has a volunteer leadership, the strength and success of an organization comes from its membership and those who step forward and volunteer their time and energy to help steer that organization into the future. I am asking you to please consider volunteering a little of your time to help make our club better each year, by considering to submit your name to be on the voting ballot.

Open Positions: 1st VP, 2nd VP, Trustee

Please email your name directly back to me: tom@paint317.com, or you can contact any of our CIAC Board Members if you wish to volunteer for the CIAC Board.

Please check out the "Event Calendar" and consider joining us. Also make sure to follow our club on social media platforms such as Facebook and websites to keep updated on all upcoming rallies.

See You Down the Road !!!

Sincerely,

Tom Price

Rebus Brain Teaser

A rebus puzzle is a type of brainteaser that uses pictures, symbols, and letters to represent words or phrases. The goal is to decipher the images and letters to form a common saying or expression. For example, a picture of an eye followed by a heart and the letter "U" would represent the phrase "I love you".

News of Note ~ Indiana Dunes Rally Fund Raising for Texas Flood Victims

From Kristy Boyer

While attending our sun and fun-filled beached theme rally at Indiana Dunes this July, our hearts and minds continued to be with those impacted and lost during the July 4th devastating floods in Kerrville, Texas, particularly the young girls at Camp Mystic and the Airstream couple who courageously helped notify and save others during their final moments.

We hosted an impromptu raffle of prizes donated by the Price, Boyer, and Martin families. 16 Airstream families, including 2 that just happened to be camping at the park from other areas, got involved and generously donated funds for the raffle. In all, we collected \$450 for flood relief. Kristy Boyer, who works for Indianapolis-based Eli Lilly, submitted the funds for a corporate 1:1 match, increasing our total donation to \$900.

Background on why Team Lilly got involved...

The devastation caused by the recent massive flooding in Central Texas is heartbreaking. More than 1.8 trillion gallons of water fell over this area, equivalent to multiple months' rain in hours.

While all TEAM Lilly colleagues in the Kerrville area and adjacent counties have been accounted for and are safe, the death toll has surpassed 100, with dozens more residents still missing, and thousands of people left without shelter, power and basic needs.

Central Indiana Airstream Club – August, 2025

News of Note—Continued

\$50,000 to the **Center for Disaster Philanthropy** to support charitable efforts. This support will help communities impacted by the flooding in Central Texas.

The most unique way we can help during times of crisis is through our medicines. Lilly **has donated insulin and other medicines** to Direct Relief that are **prepositioned at Direct Relief's warehouse for disaster relief needs** as they arise. This allows Direct Relief to provide medicines that are urgently needed following disasters.

Following a disaster, once product needs have been assessed, **Lilly may donate medicines specifically requested by trusted relief organizations** with whom we have prior experience and who are actively collaborating with local hospitals and clinics to evaluate and prioritize needs in affected communities.

Information about product replacements for insulin or other medicines damaged or destroyed by the disaster [can be found on our website](#), along with access to [Healthcare Ready's Rx Open portal](#), showing open pharmacies across the U.S.

How Employees can help

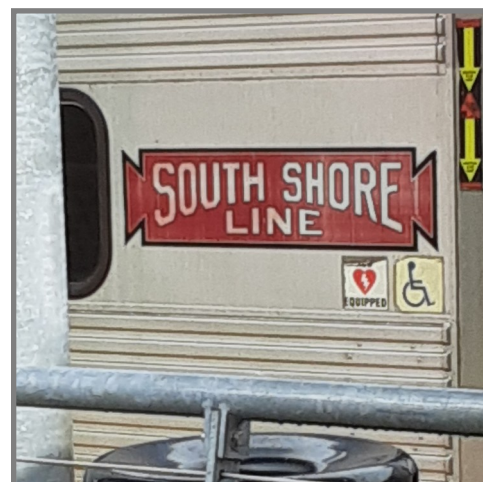

We continue to learn more about how we can best support local efforts. If you're looking for a way to support, please consider donating through the Lilly Giving Portal.

- Eligible employee donations will automatically be matched 1:1 by the Lilly Foundation.
