CIAC The Ticker

Central Indiana Airstream Club – September, 2025

Message from President ~ Tom Price

Greetings all CIAC Members,

Welcome September! During the month of August this year, several of our members such as myself, the Martins and Shinn's joined the Vintage Airstream Club on a Historical Caravan for 3 days prior to attending the 68th Airstream Club's International Rally in York, PA. During this caravan we enjoyed some of the finest back road driving, through beautiful countryside and Amish communities near Sugarcreek, OH. We also spent some time at Jackson Center, OH, touring the Mothership, Heritage Centers, the beautifully remodeled HQ building and having the opportunity to mingle/share lunch in the cafeteria with Airstream employees. Lastly as we traveled closer to York, we had the opportunity to stop and visit the Flight 93 Memorial located in Somerset County, PA. This was an amazing experience, and I highly recommend seeing it in person. It certainly gave us time to pay our respect and reflect on our personal journeys in so many ways. It's hard to believe it has been 25 years since that horrible tragedy.

The 68th International Rally in York, PA was a huge success on so many levels. All that attended enjoyed so many activities, fellowship, seminars, shopping, entertainment, food trucks, a casino night, 60's dance, block parties and vendors from all over, all about Airstream. We certainly are looking forward, like every year, to the 69th International Rally in Minot, ND.

Unfortunately, this message has been incredibly hard for me to write this month as not all good has come out of this past month. Many people at the International Rally in the last few days contracted Covid-like symptoms and struggled to finish the week off on a positive note. I just hope all are doing better now. We also lost a member of the WBCCI Colorado unit on the last day of the rally. Bless him and his family as they grieve. Our very own Jill Massonne lost her father, prayers for her comfort. Artie and Pam Martin lost their beautiful daughter Renee Atchison, which is a tragedy and shock to us all. God bless the Martin Family.

I'm amazed by the members in our groups and clubs, how we can all come together during the good and the bad times to show our love and support for one another. That's what makes all our friendships so

Rebus Brain Teaser

A rebus puzzle is a type of brainteaser that uses pictures, symbols, and letters to represent words or phrases. The goal is to decipher the images and letters to form a common saying or expression. For example, a picture of an eye followed by a heart and the letter "U" would represent the phrase "I love you".

Answers: Excuse me; Forty Years

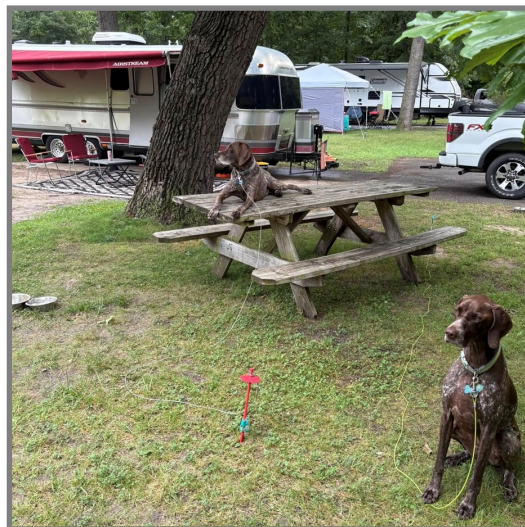

In Memory ~ Katherine “Renée” Atchinson

How do you begin to describe the heart-break of losing a child, spouse, sibling, or friend? Words often fall short. There's a poem about the hyphen between a person's birth and death—the life lived in between—but even that small mark can't capture the fullness of Renee's spirit.

Renee's smile was infectious, her laugh full of joy. She had a way of making everyone feel welcome and truly seen. While we may all wish for more time or different choices, it's comforting to reflect on the joy she brought into our lives—the conversations, the laughter, the quiet moments of connection.

She was one of the hosts for the upcoming Madison Fall Fest – Chautauqua rally. Though nervous about being a first-time host, she embraced the challenge with her usual enthusiasm and radiant energy. Games, food and fun were all top priorities! Renee loved to make you feel loved—and like a Shorthaired Pointer dog stretched out on a sun-warmed picnic table, you couldn't help but bask in her attention.

"Renee, your light continues to shine in every memory, every smile you inspired. We miss you deeply, and we will never forget you." ~ Jenn Reinshagen
