

SC Coastal Airstream Club #150

A Note from The President:

We enjoyed a great October rally together at Lake Wateree State Park. We missed many of our members as sickness or other commitments kept them from attending. The weather was wonderful, and the campground hosts were so friendly and welcoming. Greg Weaver brought his guitar out and we enjoyed some great music from him as we gathered around the campfire at night. We enjoyed several meals together and of course our Happy Hours are always a favorite. Did you hear that Esther won the pot at the "Left-Right-Center" game on Saturday! Thanks to everyone who had a hand in making this another great rally.
