Vic and Claudia Fordham hosted a fantastic rally at the Broad River Campground recently. I can't remember when we've ever had a pig picking at a rally, but this was a great one. Since Vic has shown

us what he can do with a pig, hopefully we'll have more of them in the future.

As most of you know, our next rally is our annual business meeting rally as well as our 65th anniversary celebration. Terry Sheally and her committee and first VP Roger Holland and his group have put together a fantastic agenda. If you're able to make it, I'm sure you're gonna have a great time. Read this issue of the Tarheel Traveler carefully because there's a lot of information about our 65th anniversary rally. Looking forward to seeing you there.

As we wind down the year, we are still looking forward to two incredible rallies. Coming up in just days will be undoubtedly one of the highlights of the year as we arrive at Ocean Lakes for our 65th anniversary celebration which has been in planning for over a year! Terry Sheally and her team have spent countless hours carefully planning and organizing exciting events and activities for us to enjoy while we celebrate the Carolinas Airstream Club's 65 years in existence. Following shortly thereafter, we will be experiencing an exciting new rally in Asheville as we are treated to a candlelight tour and private dinner at the historical Biltmore House arranged by our very own 2nd VP, John Hoffman, and his wife Renee! What a way to wrap up a great year of community, fellowship, and camping in our Airstreams!

We are already looking forward to all the exciting rallies John and Renee have been working on for 2026! Next year is shaping up to be an incredible mix of opportunities for our members to spend time in their Airstreams along with others who share the same common bond. Through these rallies you begin to appreciate the greatest asset of being a member of Airstream Club International and specifically the Carolinas Airstream Club—the incredible community of Airstream friends and caring individuals that come with your membership.

See you down the road.

As Roger noted, our Annual Carolinas Airstream Club gathering at Ocean Lakes is just days away. This will be a great opportunity to meet and socialize with your other CAC members, enjoy some great meals and celebrate 65 years of CAC Airstreaming! It's also an opportunity to learn more about the great CAC events planned for 2026. Currently we have 17 CAC rallies now available for registration, though Tanglewood 2026 is now only accepting waitlist registrations. At 1 PM on October 30, I will be presenting a seminar on our 2026 CAC rallies in the recreation center.

But if you plan to attend, consider being a host. Every one of these CAC events can use co-hosts, as there is always a lot to do in making a rally a success for everyone. So, reach out to the listed host or to me if you are interested.

For those who will be or are interested in hosting or co-hosting a rally in 2026, we have planned a brief CAC rally hosts meeting at site HH27 at Ocean Lakes on October 30 at 4 PM. At that time, we will discuss hosting duties and address any coordination that our hosts may have for their rally. We will also distribute our new CAC Rally Hosting Guide. This guide will help our hosts benefit from past lessons learned, as well as provide useful rally event planning guidance. It will also provide guidance on rally finances and a template for building a rally event schedule.

2026 builds upon many years of CAC Airstreaming. It is going to be an exciting, active year for our Carolinas Airstream Club. But 2026 will also be an opportunity to experience less travelled roads as we visit new rally locations, such as Mt. Airy, NC, Punkin Chunkin in Brasstown, NC, and Minot, North Dakota, for the 2026 ACI International Rally.

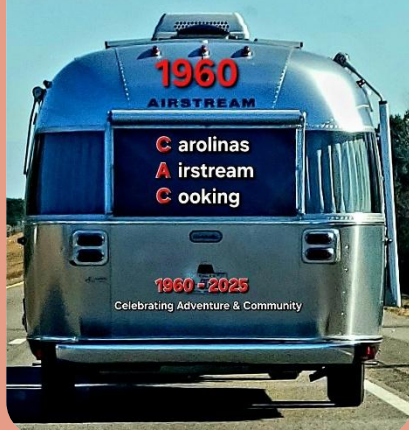

2025 marks the 65th anniversary of the Carolinas Airstream Club's charter. To mark the milestone, Tarheel Traveler is dedicating this section of the newsletter to the anniversary. Be on the lookout for articles, links to photos, and other information on how you can participate in the anniversary throughout the year and at our upcoming Anniversary Rally at Ocean Lakes in October.

Important: For those attending the 2025 Ocean Lakes Rally, please review last year's annual business meeting minutes (on page 6 of this newsletter) to prepare to give your vote to approve the minutes at this year's business meeting.

65TH ANNIVERSARY UPDATE

Contributed by Terry Sheally

We wish we could see each of you at the CAC 65th Anniversary Rally at Ocean Lakes Family Campground in Myrtle Beach later this month. We're expecting more than 120 rigs and 230 Airstreamers to gather there as we "Celebrate Adventure and Community" in a way that we hope will be memorable and fun with days filled with seminars, hands-on sessions, activities for young Streamers, meals, and don't-miss events such as a group photo, business meeting for members, and a celebration banquet. We will share photos of the memories made in next month's newsletter, so if you are unable to attend, please look out for those in a future issue.

Annual Business Meeting Minutes from 2024

Contributed by Shari Hord, Recording Secretary

CAC has an annual business meeting at our Ocean Lakes rally each October, and one piece of business that will transpire is that membership is asked to review and vote to approve the minutes from the previous year’s annual business meeting. The minutes from our November 9, 2024, annual business meeting are included here for review. Those members present at the 2025 meeting will be asked to vote on approval. Please take a moment to review last year’s minutes prior to the meeting at Ocean Lakes.

Roger Holland	2 nd VP	Lee Dunn	Membership Chair
Shari Hord	Recording Secretary	Wayne Clark	Webmaster

Board Members absent:
Nancy Kueffer – Corresponding Secretary
Mike Olympio – 1 Yr Director

Welcome/Call to Order - Steve Thompson welcomed everyone to the annual membership meeting and talked about the great year we’ve had with great rallies and wonderful members. Sadly, we lost two this year – Darryl Nester and Bert Kalet. He called the meeting to order at 7:19 pm and asked Jim Robbins to lead the Pledge of Allegiance. He noted that we are a community and need your assistance each month to send articles and photos to Tabb Adams, the newsletter editor. He also noted that we will have someone new taking over the newsletter in 2025.

Old Business – Steve noted that everyone should have received the minutes from the 2022 and 2023 annual membership meetings for review and approval. Bjorn Kasper moved that the minutes be approved and Sandra Almy seconded. They were approved upon vote of the membership.

Steve asked that anyone who is a past president stand and be recognized. Then he asked for anyone who has served on the region or international level to stand. He recognized Jim Cocke and Deb Wood who contribute greatly on the International level, and Bob Hoffman and Wayne Clark who are active both in Region 3 and at International. Members who have hosted a rally were also asked to stand and be recognized.

New Business – Steve noted that a team is assembled each year to nominate those willing to serve as an officer in our club. He introduced the nominees for 2025 officers and asked that they come forward:

President – Ray Combs	Corresponding Secretary – Lee Dunn
1 st Vice President – Roger Holland	1 Year Director – Bjorn Kasper
2 nd Vice President – John Hoffman	1 Year Director – Jack Grimes
Treasurer – Janice Overcash	2 Year Director – Vic Fordham
Recording Secretary – Shari Hord	2 Year Director – Jim Plyler

He then asked if there were nominations from the floor. There were none and George Lamb moved that the list of officers be accepted and approved. Chris Becker seconded the motion and the membership voted their approval of this team. Jim Cocke then joined the officers on stage to perform the installation ceremony.

Steve noted that two current Board members, Nancy Kueffer and Mike Olympio (neither were present) who are retiring after this year. He also noted that Terry Sheally is also retiring from the Board but will be heading up the committee planning our Club’s 65th anniversary celebration. He asked his wife Jan to come up and they presented gift baskets to those who are retiring.

Then Steve asked for any new members who had not been installed to come forward. They included: Amber and Greg Ballard, Dan Engel, Bob and Lori Phillips, Ellen and Chris Becker, Suzanne Heller, John Helton, Joyanne and Thomas Kutch, and Chuck and Nancy Moon. Jim Cocke inducted these new members and asked each to tell a little about themselves.

Ray Combs then addressed the group to briefly talk about ACI caravans and pointed out that there are more caravan leaders in the Carolinas Airstream Club than any other club. He then asked that outgoing president Steve Thompson and his wife Jan join him on the stage. Their leadership and contributions to the club this year have been impressive. He then presented them with an original painting of an Airstream by our Club’s own Rick Morgan.

Motion to Adjourn – With all club business completed, Margie Lamb moved that the meeting be adjourned. Sandra Almy seconded the motion and it passed per vote. The meeting adjourned at 8:03 pm.

Respectively Submitted,

Shari Hord
Recording Secretary

FROM THE TREASURER

CAC 2025 Treasurer's Annual Report to Members

Contributed by Janice Overcash, Treasurer

Since the Carolinas Airstream Club (CAC) was established in 1960 it has been registered as a not-for-profit organization, 501(c)(7), for government reporting purposes. The 501(c)(7) designation indicates that our organization exists to benefit our members.

The financial health of our club is overseen by the Executive Officers and Board of Directors who receive a detailed financial statement each month from the Treasurer. At the beginning of each year, the newly elected Officers and Board Members work to establish an operating budget for the year. The committee uses data from previous years to build the financial framework for the club's operations.

The club has two primary sources of funding, membership dues and rally fees. Traditionally, the largest expenditure for the club is the reimbursement of rally expenses to the rally hosts. Another significant budget item is the purchase of gift cards for rally hosts. A gift card is presented to the hosts as a small token of the club's appreciation for the time and effort that goes into making each rally a success.

By the end of the 3rd quarter of 2025, CAC had collected over \$4,000 in membership dues and over \$29,000 in rally fees. Our current checking account balance is in the \$33,000 range.

It should be noted that the amount of rally fees collected this year is atypical for the club. This increase in collected fees is a result of two of the rallies, Ocean Lakes and Biltmore, charging a higher rally fee to cover planned activities. The checking account balance will drop significantly when the expenses for Ocean Lakes and Biltmore are paid. However, the club will remain in good financial shape heading into 2026.

If you would like more information regarding the finances of the club, do not hesitate to reach out to Janice Overcash, Club Treasurer, at 021treasurer@gmail.com.

Hi Streamers!

I hope everyone is getting excited about Ocean Lakes 65th Anniversary shindig! I know I am!

Nothing to report this month about our members. Hope this means everyone is doing well.

SHOUT OUT!

To Vic & Claudia Fordham – BRN #24127 – they hosted the Broad River Rally recently. They provided all the 'streamers with our very own pig pickin'! Vic spent the day Friday cooking the pig, and we all gathered to – literally – pick skin and meat off the pig before it was chopped up and seasoned with eastern NC style sauce. Claudia located a local caterer that provided an awesome array of sides to complement the BBQ. This was my – and I believe most everyone's – first pig pickin' at a rally. It may need to become an annual tradition. What do you say Vic & Claudia?

Safe travels and see you at Ocean Lakes!

Sir Cost A Lot

The Adventures of *Sir Cost A Lot*

If you've ever wondered how one couple could own *three Airstreams in three years*, pull up a camp chair — you're in for a treat! Robin and Russ are no strangers to the camping life. Before discovering Airstreams, they were already pros at restoring vintage beauties, such as a 1949 Boles Aero, a 1963 Shasta, and a 1973 Baby Bell. So, when they found themselves driving past the Seattle Airstream dealer one fateful day, Russ made the innocent suggestion: "Let's just take a look." Robin's response? Pure wisdom: "If we go in there, we're coming out with one." And boy, was she right.

They walked out the proud owners of a 2019 23' International Rear Corner Queen — shiny, new, and full of promise. That is, until the nightly obstacle course of climbing over each other to get to the bathroom set in. Three months later, it was out with the old and in with a 2020 25' Flying Cloud Rear Twin — problem solved! Or so they thought...at a rally, their dealer rolled in with a 2021 Ultimate Airstream Grand Salon 25' Front Twin Globetrotter, and it was love at first sight. The Flying Cloud didn't stand a chance, "Three trailers in three years...whew!"

Why ACI and CAC? Robin and Russ joined **Airstream Club International (ACI)** as soon as they bought their first trailer — because everyone said it was *the* best way to meet other Airstreamers and dive into the rally scene. Fast-forward to 2024 — after moving from Seattle to North Carolina, they joined **Carolinas Airstream Club (CAC)** to find a new community. "We had such wonderful friends out west," they said, "and CAC has been just as warm and welcoming!"

Making the Most of It- They attend as many rallies as they can — and they don't just show up, they *pitch in*. "Helping out and getting involved is part of the fun," they shared. "The people are incredible, and the rallies are always fantastic."

Meet *Sir Cost A Lot*, yes, that's the name of their current rig — because, well, the name says it all. 😊 Their previous Airstream, a Flying Cloud, was affectionately known as *Ollie Luminum*. Clearly, creative naming is part of the adventure!

Lessons from the Road: Robin and Russ's best advice? *Slow down and take the scenic route*. "Get off the interstates! Wander into small towns, eat at local spots, and skip the chains and big-box stores. That's where the magic happens." They've also learned that towing an Airstream is a bit like giving your house a constant earthquake and hurricane test — things shake, rattle, and sometimes break. But that's okay. "Be ready for flat tires, loose fixtures, or dead batteries. And don't be afraid to ask for help — there's always a fellow RVer nearby who knows a fix or two."

Life Beyond the Campsite- When they're not rolling down the road, **Russ** can usually be found fishing or kayaking while **Robin** is busy crafting — paper, fiber, or in the kitchen teaching others how to cook.

Fun Fact: Robin and Russ actually lived in **Raleigh, NC**, for 28 years before life took them to Seattle — and then back again! Their grandkids moved to Greensboro during COVID, and when Russ's job at Seattle Children's Hospital was "reorganized," the choice was easy. Now back in North Carolina, Russ works for **Caring Cross** — a not-for-profit that helps lower-income countries manufacture immunotherapy treatments for cancer, HIV, and sickle cell disease. How cool is that?

Final Word: From a 1949 Boles Aero to their sparkling *Sir Cost A Lot*, Robin and Russ embody what Airstreaming is all about — adventure, curiosity, and community. We're thrilled to have them rolling with the **Carolinas Airstream Club** — and we can't wait to see where *Sir Cost A Lot* takes them next! 🚐 🌟
