All pets must be on a 6-foot, non-retractable leash when outside the Airstream. Please always check collars and leashes to ensure they fit correctly and are working properly. Owners may use a size-appropriate pet containment system that can be used at the campsite. Except for working service animals, pets are not permitted in the buildings or during a meal in outside dining/food preparation areas. Well-mannered dogs are welcome to play and exercise in designated dog park. Always clean up after your pet. And make sure your pet has an ID tag.

Airstream "on-site" reservations include a site for an Airstream, water, 30-amp power, and one pump-out. A second pump-out can be purchased now or at check-in.
