

Blue beret July
6/25/25

Date:

Region 1 has finally broken the 13 week streak of rain and summer has finally arrived, its been wonderful and warm. Even though the month of June has flown by we have on deck lots of things to do for July and early August.

Here are some events many members are excited about:

The Pastures Rally, NH hosted by the Cape Cod Airstream Club and the CT Airstream Club. <https://airstreamclub.org/pastures-campground-rally>

The Buddies Rally at Hunters Run Campground, NH hosted by the Northeast Mountaineers.

And

Podunk Bluegrass Festival, CT Hosted by the New England Airstream Club.

<https://airstreamclub.org/neac-rally-podunk-bluegrass-festival-0>

Region 1 members recently got to experience two wonderful and very different rallies. The Connecticut Airstream Club started its Rally off with a Pop Up Pub experience at the historical Library in Roxbury, CT. The towns' people and the Airstreams chatted thru the evening about the area, books, music and of course everyone got to see the beautiful Americana Boondocking in Munson Field. The next day was a Farm Crawl , which included 6 different stops at local farms, each selling something different, cheese, veggies, fruits and different meats. It was obvious these local farmers truly put their hearts into making the food we eat. The final stop was at a local distillery.

Cape Cod's Scusset Beach Rally was all about sun, sand, and a traditional style Lobster bake. The members took over the Safari Field as a beach side boondocking experience. With all the sun we had the solar panels sure kept the batteries topped off. The region had many historical sites, Plymouth Rock, and Plymouth Plantation. The campground included a beautiful bike and walking path also. If you wanted a more relaxing day the ice cream stand at the beach was quite a treat.

Universally the focus of each event is to enjoy being around like minded friends, experience something new or different and leave the weekend with wonderful memories and stories to tell.

Many of you may have heard me speak to this or listened to the rumors but Region 1 will be having a large Regional Rally next September in NH. The region will be announcing the Location and Dates at the International Rally in York PA this coming August. Be Ready to Save the Date!

I hope to see each of you this summer, Safe Travels everyone.
