## President's Message

Greetings All, and Happy New Year!

What a year it has been. We finished 2025 with a huge turnout at Plumsteadville Inn for our year-end holiday lunch. We had nearly 40 turn out for this event and it was great to meet some new members and catch up with our friends from the club. Our Keystone club has been growing at a great pace, and we are excited to keep the momentum in 2026 and beyond.

Thanks to Jenn and her mom for organizing the event, and also for the gifts. We were able to donate many new gifts to the Easton children's home, and it did make a difference. Please take a moment to visit the Easton children's site. <https://www.facebook.com/share/p/17oMjyCa5c/?>

As we look back on 2025, what are some of your highlights, memories, and challenges? Did you get to all the places you planned earlier in 2025? If you did not, what held you back, and when you plan 2026, will you consider anything different? If you had challenges, it only means you hit the road. Let's be honest, stuff happens to all of us, and we just deal with it. Popped rivets is like filling up a propane tank. You know at some point you will have to just do it. Did I tell you our fresh water tank full of water fell to the ground while traveling one weekend? Did it stop us, no way. We just took out the ratchet straps and were on our way, more or less...

I hope everyone enjoys some down time with family and friends over the cold winter months. If you're fortunate enough to be traveling somewhere warmer, remember us and the white stuff, and safe travels. You likely have most, if not all, your 2026 trips in the calendar. If you have not yet signed up for a Keystone rally, give some thought to it and see if it will work for you. We are looking forward to a great year and the opportunity to meet more new Keystoners.

In the new year, we will be meeting to get a few new initiatives in place for our club. This will include merchandise with our new club logo, an opportunity to purchase a club flag, and other provisions to make signing up for a rally easier. Stay tuned, Stay warm, Stay in touch and Happy New Year everyone!

## 2025 Keystone Rallies in Review!

What a wonderful year we had enjoying luncheons, rallies and mini-caravans! Here's a brief look back at these great Keystone gatherings:

In February, Jennifer & Cecilia Eggers hosted a tasty Valentine's Day lunch.

Sharon & Wayne Fitzgerald followed in March with a St. Paddy's Day lunch with four-leaf clovers, lucky charms and pots of silver (naturally...)

Camping season was welcomed early in April at the joint Maintenance Rally with the DelMarVa club. Jim Harbage grabbed the nice weather opportunity to affix his **BRN**.

'Run for the Roses' was the theme for the May Season Opener at Lums Pond State Park, Bear DE, with the Central Penn club. 22 rigs joined in the fun as members kayaked on the pond,

dared to navigate the Go Ape zipline adventure, bicycled the area (to the nearby ice cream parlor of course), warmed by campfires and enjoyed mini-mint juleps and Kentucky hot brown sandwiches served up by our own (singing) Airstream Fascinators!

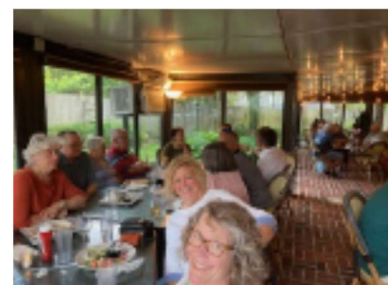

A rousing good time quickly followed at Granite Hill Camping Resort in Gettysburg, PA, for the annual Bluegrass Festival mid-May.

Plenty of Sun, Seafood and Sand welcomed Keystoneers at the June Rally at Jersey Shore Haven in Cape May Courthouse, NJ.

In July, intrepid Keystone explorers happily searched the Upper Delaware while camping for a few days at Soaring Eagle Campground in Equinunk, PA.

In July,

August was a busy month for Keystoneers! Two friends were found lounging at the Ladies' Retreat at the KOA in West Chester, PA. Unfortunately rain dampened the trek, but not the spirit, of the ladies as they toured Longwood Gardens in Kennett Square, PA during the rally.

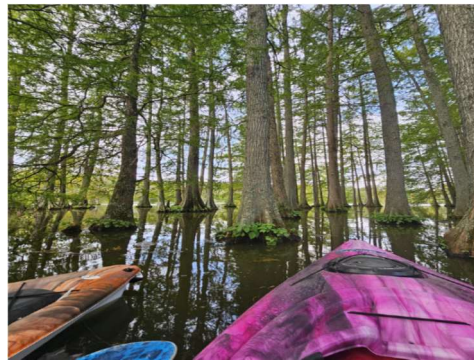

Then several members of the club went north to motor on Seneca Lake and check out the Finger Lakes club Rally at Sampson State Park in Romulus, NY. Always popular, this rally has now become a Region 1 & 2 annual event!

Mid-August more than a thousand Silver pods invaded the York, PA Fairgrounds for the 68th International Rally where the Keystone club proudly unveiled its new flag design!

11 rigs ventured to Trap Pond State Park in Laurel, DE, for the Bald Cypress & Eagles club rally in September. Kayaking, wagon rides, biking, birding, potluck dinners and campfires filled the great weekend.

The club's October Dark Skies and Canyons mini-caravan to Twin Streams campground and Ole Bull State Park north in the Grand Canyon of Pennsylvania was a wonderful way to enjoy the fall foliage with friends (and several weenies roasted by the campfire!)

As the camping season wound down, club members met in November to thank Jennifer Eggers for leading a great year, and to welcome Brian Mulligan in her footsteps as the club's 2026 president. The Installation rally and annual meeting was held at Country Acres Campground near Lancaster, PA, with a tasty smorgasbord at nearby Bird-in-Hand Family Restaurant. Yum!

The year ended with the annual holiday luncheon at Plumsteadville Inn in Pipersville, PA. 37 members celebrated the occasion on a brisk December afternoon. Talk of rallies past and rallies future filled the air. Fun times for all with gracious donations of toys for the Children's Home of Easton.
