

Executive Board Meeting

October 24, 2025

Members Present:

Mike McGinn (President), Gina McGinn (Secretary), Bruce Fafard (Treasurer), Gina Fafard (Vice President), Steve Kane (past President, present via Zoom), Steve Oppel (Past President, Webmaster)

Meeting called to order at 1:35.

Discussion regarding Stinkweed/Havana campout and request to have the club support additional expenses related to campsites and paid musician groups.

Steve K presented his vision to have a music festival at Stinkweed this year. The campground now require a minimum \$2000 towards campsites. 20 campsites for the 3 nights at \$100 per RV. (If there were more campers than 20 the fee would go up accordingly by \$100 per RV to be paid to the campground.)

The 2 musician groups would need to be paid \$1000 each.

Rally fees are currently \$10 per person in our club. To cover the costs of the musicians, Steve K discussed raising the rally fee for this rally to \$65 per person to cover the cost of the rally and musicians. With the current subsidy of rally fees of \$10 per person it would cost each couple \$230 for this 4 day, 3 night rally.

A question was brought up regarding what would happen if we did not get 20 registered RVs? A discussion about the possibility that the club subsidize the difference as long as there were at least 15 registered rigs. (\$500 max paid by club)

A motion was made to pay the difference if we only get 15 registered rigs, and if we did not get 15, the rally would be cancelled. The motion was seconded. Motion passed.

A discussion regarding the rally hosts and co-hosts receiving free campsites that Steve K negotiated with the venue. Board members had a concern that it is not our club's practice to pay for rally hosts campsite fees and this would set a new precedent.

Motion to waive the rally hosts/co-host camp fees for Stinkweed/Havana if 20 or more rigs sign up. Motion seconded. Motion failed.

Meeting adjourned at 3:15

Respectfully submitted,
Gina McGinn
Secretary
