

Iowa Airstream Club

January 2026

Notes from the President:

I hope everyone had a wonderful Christmas and are planning a safe New Year celebration. John and I spent the day with our daughter and family at her new house in Conrad, IA. We are looking forward to our family expanding with a new grandson due around May 1.

December was a crazy month of bad weather. It caused us to cancel the December luncheon but I am so glad that we did not have any members on the I-80 accident/back up.

With the new year, rally hosts are busy finalizing plans for the next year.

- Region 8 rally is busy in the planning process and information is posted in the newsletter
- Information on the May rally will be sent out soon on a separate email.
- The June rally is almost a sell-out. There are still 2 sites available, so if you have not made your reservation, instructions on how to make your reservation is later in the newsletter.
Wina, Scott, and Kathy have been busy planning to make this rally a lot of fun.
- For the July rally, you will all receive an email on January 15 regarding the July rally, which is the tri-club rally. This survey is meant to get a head/camper count so we can plan meals, excursions, and activities.
- September rally is still in the works and I will send out a notice as soon as it is finalized
- Information on the October rally will be sent out soon on a separate email. Happy New Year!

Membership Introduction: Tom and Wina Spread

Having lived in Muscatine, Iowa since 1999 we were both born and raised in Illinois. Wina hails from Jacksonville as the youngest of three girls. Her father was a longtime banker, and her mother worked in the office of a small college.

Tom was born and raised on the North side of Chicago where his father, grandfather and great grandfather were all Chicago Firefighters. He joined Boy Scout Troop 979 where he earned the God and Country Award and the rank of Eagle Scout in 1967. It was that scouting experience that took him on many campouts and trail hikes; he's traversed much of the Canadian Boundary waters.

As unlikely as it may seem, we met at MacMurray College; we were enrolled in the same political science class. Wina is the reason Tom made it through Art History. She was also his highly successful campaign manager when he became student body president. It comes as no surprise that Wina majored in Art; she minored in sociology and elementary education (class of 1977). Tom triple majored in Urban Studies, Business and Economics (class of 1976). He earned his MBA at University of Illinois in 1978.

We will celebrate our 50th wedding anniversary this coming May on a European river cruise that takes us from Prague to Paris.

We have 2 children, 3 grandchildren, and two Brittany spaniels, Woody and Lily. Our daughter Kelly lives in Muscatine with her husband Mike and son Ajay. Our son Austin lives in Novato, California with his wife Mayu, his son Kanoa and daughter Lana. We're planning a second Airstream trip to California this coming July to visit them.

Wina ended her 45 + year career as a Design Consultant specializing in custom cabinetry and millwork for residential and commercial spaces. Our daughter Kelly now runs that business.

Tom largely ended his 45 + year career as a community banker; He retired as President and CEO of Community Bank & Trust Company in Muscatine, Iowa where he remains active on the Board of Directors and as President and Director of C-B-G, Inc., the affiliated bank holding

company. As we schedule our travels, he occasionally has to work around board and committee meetings.

We retired in March of 2021, and are now rediscovering our interests in art, embroidery, sewing & quilting, gourmet cooking (Wina), photography, golf, hunting and fishing (Tom). Lest we forget, flyfishing has now become important with Tom being a Master Angler!

While we are relatively new to the Airstream community, we have enjoyed the local, region and international rallies, made many new friends and have seen places we've never heard of previously. We're looking forward to doing so much more. You'll be seeing more of us down the road.

December Luncheon Highlights:

Living in Iowa in the winter can cause problems. Unfortunately, we had a winter storm on this day which caused a major traffic jam on I-80. Please keep Saturday, January 17, 2026 at 11:30 on hold for details on another luncheon.
