Keeping the Stream Rolling Across the Ozarks – FEBRUARY 2026

## PRESIDENT'S MESSAGE

Hello to all our fellow Airstreamers & Ozark explorers!

February may be the shortest month of the year, but it's full of anticipation and heart. As we watch winter slowly loosen its grip, our thoughts naturally turn to upcoming rallies, open roads, and time spent together with fellow Airstreamers.

This is a great month to start planning ahead. Our spring rallies are just around the corner, and reservations will be opening or filling quickly. Whether you're a longtime member or newer to the club, I encourage you to look at the rally schedule and consider joining us for one—or several—of our gatherings this year. The friendships, laughter, and shared experiences are what truly make our club special.

February also brings Valentine's Day, a reminder of the friendships and connections that keep our club strong. Airstream travel has a

wonderful way of bringing people together, and we're grateful for the sense of community each of you helps create. As always, if you have ideas for rallies, activities, or ways to get involved, please reach out. This is **your** club, and we welcome your participation and creativity.

Stay warm, stay safe, and we look forward to seeing many of you very soon—preferably with shiny trailers and happy hearts! Is it time to start getting our rigs ready for spring adventures yet???

Warmest regards,

**Patti Kelly**

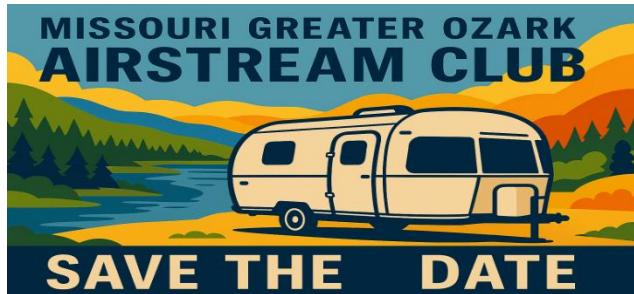

President, Missouri Greater Ozark Airstream Club

Hello Missouri Greater Ozark Airstreamers!

We want to extend a big thank-you to everyone who took a few moments to fill out our recent club survey. Your feedback is already helping us shape more fun, adventurous, and memorable rallies for the year ahead. We've reviewed all the responses and want to share what we've learned — favorite rally destinations, activity ideas, and new ways to make every gathering even better.

I would be remiss if I didn't give a great deal of credit to Charlene Nelson for diving deep into several survey platforms and then finding one that met our needs, pulling everything together, and creating a tool to gather feedback effectively. I also want to thank Colette for sending out multiple emails to all the members to ensure we were getting as much input as we could. I also appreciate all the input the MGO officers offered. It truly took the whole team. They all rolled up their sleeves and went above and beyond. Absolute rock stars!!!

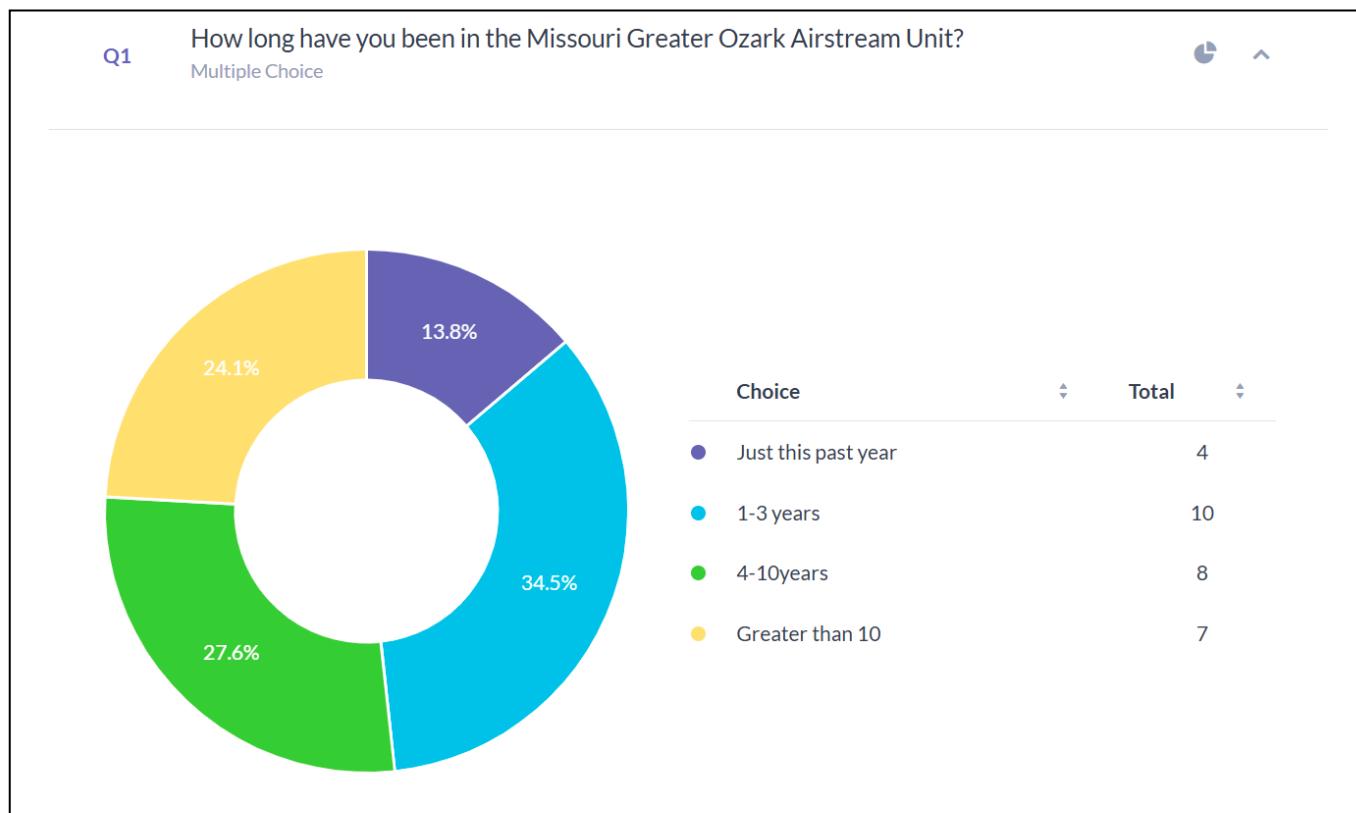

We've even had members step forward and volunteer to plan a rally for you all! I don't know if the survey inspired some of our members or not, but several began channeling their creativity and enthusiasm into hosting a rally at one of their favorite camping spots and they have stepped up big time!!!

And once again, I'd like to thank everyone that participated in the survey. Keep those creative juices flowing – next year's camping season will be here before you know it! We are so happy to share the survey highlights and how your ideas will steer the road ahead.

With warm and sincere thanks,

**Patti Kelly**

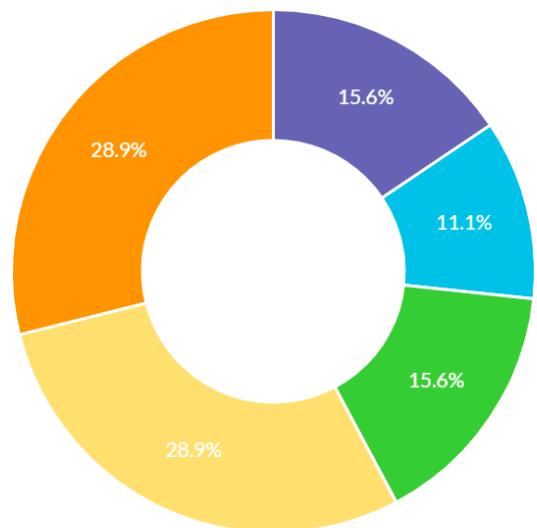

Missouri Greater Ozark Airstream Club President

## MEMBER SPOTLIGHT: THE NELSON FAMILY

Bryan and Charlene Nelson, Marshfield, MO, USA, BRN 25118

Greetings fellow Airstreamers. After living in Iowa for 20+ years, we purchased our first Airstream in 2016 and started full-timing in 2017 to support Char's consulting business as we traveled the country for four years.

Covid created some unique camping challenges, and in 2021 we decided to purchase a home in Marshfield, Missouri. While we are no longer full-time, we still enjoy traveling in our Airstream. Char officially retired in 2022, and we have time now for longer adventures, our most recent one being the 2025 Meandering in the Maritimes caravan. To date, we have officially camped in 38 states and 4 Canadian provinces.

Bryan retired from a career in publishing (Woodsmith magazine) in 2017, but still freelances, just to keep his fingers in the industry. An avid woodworker, he started a woodworker's guild in Springfield and is working to complete his home workshop. Char enjoys crafts, cooking, and gardening, and volunteers with a local hospice group.

We have three grown children, 2 sons, 1 daughter. Our oldest son and his wife moved to Ireland 2.5 years ago and live in County Galway where they established an IT business, a travel company, and are active Trad musicians. Our daughter lives in Oakland, CA and is currently working on her writing career. Our youngest son and his wife live in Des Moines, IA where he is a partner in a welding company and she is a child therapist. Our granddaughter Sariyah rounds out our happy little family.

We are looking forward to 2026 and all it has to offer for our club. Our current plan is to attend all the club events this year and hoping as many of you as possible can join us for all the fun!

# JOINT RALLY

## MISSOURI GREATER OZARK & MISSOURI-KANSAS AIRSTREAM CLUBS

Petit Jean State Park, Morrilton, Arkansas

Dates: June 4 – 7, 2026

### RESERVATION NOTES:

- For reservations, book online at <https://reserve.arkansasparks.com/petit-jean/camping> or call (501) 727-5441
- **As of 1/24/26, there are no sites available in Area A (FHU) or Area B (FHU) unless a cancellation is made. Area C has 22 sites available (30amp & water only).**
- Contact Patti Kelly to let her know you are coming at [plk58@hotmail.com](mailto:plk58@hotmail.com)

### WHAT TO EXPECT

- **Petit Jean State Park** is an Arkansas icon, a state natural and historic treasure that has welcomed travelers over the decades. The natural beauty and ancient geology of legendary Petit Jean Mountain inspired the creation of Arkansas's first state park, and with it our state park system. The park mirrors the mountain's rugged beauty with its rustic-style, native log and stone facilities constructed by the Civilian Conservation Corps (CCC) beginning in 1933. Within the park are three National Historic Districts containing more than 80 structures, trails, and bridges. Each of these remarkable works connects you to the craftsmanship and conservation legacy of the CCC, the close to his heart "Tree Army" of Franklin D. Roosevelt's New Deal. The focal point of this Adirondack-style park architecture is historic Mather Lodge, the park's mountain lodge on the bluff of rugged, scenic Cedar Creek Canyon. Rarely do you find a special place that will beckon you back again and again. Petit Jean is that place. Rarely can a destination be everything for everyone, but Petit Jean is that place, too. Come discover this unforgettable Arkansas state park called Petit Jean.
- Enjoy a delicious meal in **Mather Lodge Restaurant** while taking in a spectacular sunset over the Arkansas River Valley. They feature Southern style – breakfast/lunch/supper. Inside the park, great atmosphere and views! Make reservations for supper. (501)727-5604
- The **Legendary gravesite of Petit Jean**, for whom the mountain was named, offers a panoramic view of the Arkansas River as it flows through the valley. The picturesque sunrises provide an opportunity to capture nature at its best.
- **Hiking Trails** - PJSP has more than 20 miles of hiking trails. Walk to the spectacular 95foot **Cedar Falls**, meander through ancient geology on the **Seven Hollows Trail**, or enter **Rock House Cave** and view ancient pictographs. Check with the office or just take walks on any of the several trails. Also, on site are two swimming pools, picnic areas, playgrounds, boat launch ramp, tennis and basketball court, and an amphitheater.
- **Shop Historic Morrilton**. Nestled in the heart of the Arkansas River Valley, a city that is bursting with historic landmarks and natural beauty. At the base of gorgeous Petit Jean Mountain, it's a place where small town charm meets modern convenience. See the restored circa **1915 Missouri-Pacific railroad depot**, 201 E Railroad Ave., which houses displays on the Trail of Tears, American Indian artifacts, railroad history, and Civil War memorabilia. It is open on Fri. & Sat. from 10-2.

## MISSOURI GREATER OZARK FLAG

There is an important update on the Missouri Greater Ozark flag ballot!

To ensure that all Missouri Greater Ozark members have the opportunity to review our current flag and compare the new flag designs, we are going to propose an update of the flag ballot for our club on Facebook. We've added our current club flag as an official option in the voting. If you do not use Facebook, you may participate by emailing your choice to [plk58@hotmail.com](mailto:plk58@hotmail.com)

Members can now choose between:

- Flag A: State logo over stripes

- Flag B: Circle logo over stripes

- Flag C: Circle with heritage WBCCI logo

Voting will take place from February 1, 2026 and remain open through February 20, 2026. Once voting is complete, the selected design will move forward for the required approval process. Any proposed changes will be shared with the full membership. If you have further questions, please contact [plk58@hotmail.com](mailto:plk58@hotmail.com).

Thank you for being part of MGO – we look forward to your vote!
