The Official Newsletter of the Palmetto State Airstream Club #022

Welcome to Camping in the Carolinas, Y'all!

It's been seven weeks since our Installation Rally and I have to admit that it feels a little strange being the current President of PSAC. Airstream BRN 28742 is now hibernating in our yard and rally activity has ceased for 2025.

There are still many things going on, though:

Mark your calendar: February 8th! That's the date that we can start reserving sites for our 2026 *Streamin' with The White Squirrels Rally*. As mentioned earlier, this campground is in VERY high demand and it will fill up quickly. You can access the Davidson River Recreation Area Campground here: [National Forests in North Carolina | Davidson River Recreation Area | Forest Service](#)

The Shiny Apple Rally (Orchard Lake Campground, Saluda, **NC**) sites are sold out. You can contact the campground for cancelled reservation availability, however. It's a large campground and I'm confident there will be additional openings as the calendar pages turn.

The *Installation Rally* for 2026 will return to the Broad River Campground in Mooresboro, NC. The dates are **October 22-25**.

Thanks to **Jennifer Olsem**, we now have PSAC branded merchandise available! This link will take you directly to the PSAC branded items: <https://www.youcustomizeit.com/des/Palmetto-State-Airstream-Club-Logo/7878385> More details on the last page of this newsletter.

2026 will be here soon and I'm super excited about our events. I'm more excited about seeing familiar faces again and enjoying time together. As we all asked when we were younger, "Are we there yet?"

Be blessed,

Charlie

Airstream Camping New Year's Resolution Ideas

By: Melia Jacobs

"Happy New Year, As we roll into 2026, let's make some camping resolutions: explore new destinations, spend more time under the stars, share more campfire stories, and create unforgettable adventures with friends old and new. Here's to a year filled with open roads and endless memories!"

1. Purge and Organize Your Rig

Do an annual purge: Empty every drawer, cabinet, and compartment in your Airstream. Remove items you haven't used, don't need, or that add unnecessary weight. This makes travel easier and more enjoyable.

2. Upgrade or Replace Gear

Inspect all equipment and gear. Replace worn-out items, upgrade essentials, and refill consumables like lubricants and cleaners. Consider investing in a tire pressure monitoring system for safety.

3. Travel More and Explore New Destinations

Make it a goal to visit at least one new campground or region this year. New scenery brings new energy and stories. Even short trips count—build a habit of stepping outside whenever you can.

4. Eat Well and Cook Creatively

Try new recipes in your Airstream, use slow cookers or other easy tools to make healthy meals on the road. Diversify your menu with local or international cuisine.

5. Keep a Camping Journal

Track your adventures, what works, what doesn't, and memories you want to keep. Use a notebook or a notes app to record highlights from each trip.

6. Volunteer and Give Back

Help others in the camping community or local areas you visit. Volunteer, donate, or simply pick up trash to leave places better than you found them.

7. Take Family Adventures

Plan trips that include family or friends. Teach children about the joy of camping and the outdoors. Start new traditions or honor old ones.

8. Stick to a Consistent Outdoor Routine

Set weekly or monthly goals for outdoor activities—hiking, biking, or nature walks. Join camping groups or clubs to stay motivated.

9. Learn About Nature

Use field guides or apps to identify wildlife and plants during your travels. Volunteer for conservation initiatives to deepen your connection with nature.

10. Express Your Creativity

Renovate a vintage Airstream, paint, write, or start a blog about your travels. Creativity adds joy and meaning to your camping lifestyle.
