OFFICIAL NEWSLETTER OF THE AL-MON-O PA AIRSTREAM CLUB, #131

FROM YOUR PRESIDENT

From Your 1st VP

Most folks that have been around me long enough are aware that I love to cook, more specifically I love to grill. I have spent most of my life cooking meals on Weber Kettles, open fires, side chamber wood grills, gas grills, charcoal grills. My favorite is the Pellet Grill. Talk about easy to use, they can smoke, bake, grill, sear, slow cook with a plethora of wood pellet varieties available to customize flavor and taste. Trying out a new cut of meat is usually a challenge for me which I easily accept. Most of the time it comes out somewhere between ok and delicious.

Occasionally I do mess up big time, like I did with a \$130.00 beef brisket. First time grilling it. I decided to start it late at night and let it cook while I was asleep. Pellet grills let you do this if the pellet hopper is large enough. When I woke up in the morning and went outside to check on it, the low pellet alarm was going off. I opened the grill and was greeted by a dried out overdone hunk of very expensive meat. I did salvage the center of it for future use in a chili. This did not deter me from trying again. I now make a mean brisket on the pellet grill.

President's Message

As we roll into a brand-new year, January feels like the perfect time to reflect, reset and look ahead to all the adventures waiting for us in 2026. Even in the middle of winter the Airstream spirit is very much alive, rooted in friendship, shared experiences and the excitement of planning what is next.

One of my goals of this year is to create more opportunities for us to connect regularly. My hope is that we can gather at least once a month, whether that is for casual luncheon, coffee meetup, local outing or an overnight rally. These smaller consistent gatherings help keep our club connected and welcoming, especially for new members. And make it easier for everyone to participate even when time is limited. With that in mind, our club is in need of some event hosts for the months of January, February and April. Thank you Stevie and Dick Kline for hosting our March luncheon at Paci's Lounge in Brownsville PA. If anyone has an idea of a nice place for us to gather for any of these months, please get in touch with me and I'll help pull it together.

Looking ahead to the rally season, I am excited to share that I am working on two new events for fall. We have so much to look forward to this summer with the Region 2 rally at the Pocono raceway campground, the PA state Rally in New Castle PA, the Gifford Pinchot State Park-joint rally with WDCU unit, the Sampson Rally in Romulus NY and the Bluegrass Festival at Kooser State Park. But we needed to fill in some blanks for the months of September and October.

President's Message continued

September rally plans are underway for the Keystone Carving Event with camping at Twin Bridge Campground in Chambersburg, PA. This event is known for its craftsmanship, demonstrations and art – making it a fun and memorable destination to enjoy together. The Carvers start working on their creations mid-week, finishing up on Saturday when they auction off their carved wood works of art.

October Rally - I am also organizing a fall rally (first weekend in Oct.) at Parker Dam State Park, near the Elk Viewing Center in Elk County PA. Autumn is peak season for Elk viewing activity. Add crisp air, campfires and colorful fall foliage and this will make for an unforgettable experience. Parker Dam State Park is only 30 minutes from the viewing center, and is a great place to camp, allowing us to easily drive to the viewing areas at sunrise and sunset when the Elk herd is most likely active. I've read that the herd is more than 1,000 animals and expanding its range, so we may have elk venturing right through the campground!

More details on both rallies will be shared as plans come together, but I wanted to give everyone even more to look forward to as we start the year.

As always, your ideas, comments, suggestions and willingness to help make these gatherings happen is what makes our club thrive. Here is to a year filled with open roads, shared meals, campfires and plenty of time together – once a month and beyond.

Happy New Year and I look forward to seeing you soon.

April

1st VP Message Continued

I currently own three pellet grills, two are portable for camping. One is a suitcase style Traeger Ranger, the other is a GMG Trek. There are pros and cons to all grill's and I have owned many over the years. The Ranger is one I don't use often. The cooking area is small, the fan runs continuously which tends to dry out the meat your cooking if you don't wrap it. The Trek is wonderful and has all the same cooking features as it's bigger brothers. The Trek is the third GMG grill I have owned. I wore the other two out.

When cooking for a larger gathering or just need a larger grilling area I use my Yoder Smoker YS 1500. I can fit a 60lb pig stuffed with Kielbasa and Sauerkraut inside of it. Talk about making a lot of food! The YS 1500 is a Made In USA competition level grill that guarantees to never disappoint. The only downside to this grill is it is made of 3/16" carbon steel and weighs 6671 lbs. It takes time to heat up all that steel, and a couple of guys and a trailer to move it. The end result is a fabulous feast that makes it all worth it.

I also have a portable Blackstone while technically not a grill, it is a griddle. Some things are better off cooked on it like Bacon, Potatoes-onion-green pepper, Eggs, Steaks, Hot Dogs, Sausages, Dipping Sauce, BBQ Sauce.

I have to go now. I'm very hungry. Next month we will explore the versatility of the Turkey Fryer Pot.

First Vice President

Region 2 President's Message

T'was the night before Christmas.....well, let's back it up a bit. T'was the morning before Christmas and I awoke with an early morning email from Newsletter Editor Cody Klingler reminding me to get this message out. I honestly had forgotten about it since the circadian rhythm of the holidays had totally hijacked my brain. Honestly, I hope it has yours!

Why?

Because this time of year, we are celebrating Christmas, Hannukah or whatever tradition one follows and are usually in close proximity to family and friends. I would imagine that all of our trailers have been winterized, unless we are on the run. The winter solstice has occurred and culturally, that is in celebration of the days getting longer- which kind of gets the camping juices flowing.

In the spirit of welcoming in the new year, I would like to acknowledge and congratulate our new slate of presidents of each of the 13 clubs that encompass Region 2- I and our entire R2 team look forward to working with this new crop of officers- who have joined this full-on volunteer crew:

Hollie Bart- Hudson-Mohawk AC
 Debbie Hammer- NY Metro AC
 Chris Cappelletti- NY Finger Lakes AC
 Heidi Cullen- Watchung NJ AC
 April Weber- AI-Mon-O AC
 Lesley Stewart- Ontario Canada AC
 Jim Lorden- New Jersey Unit
 Brian Mulligan- Keystone AC
 Terry Hauschild- Central Penn AC
 Cindy Collister- Penn Lehigh AC
 Jamie Bull- Delmarva AC
 Bill Woodford- Pennsylvania AC
 Lisa Lichtenstein- Washington DC Unit

We'll get back to business in 2026. I plan on setting up a Zoom call in early January. In the meantime, stay close to those you love, happy holidays, and on behalf of the Region 2 Team, thanks for all that you do in keeping this machine running.

There is no "I" in "We"- WE Rally Together, WE are here for each other, WE are family. WE are a Team.

Safe travels!

Patti
