January 2026

January's Rally was held at Ocean Lakes Resorts in Myrtle Beach with weather so nice we didn't even use the provided meeting building. It was hosted by Jack and Deborah Brooks with many helping hands.

We only had 9 Airstreams present, but we had what I would call an absolutely wonderful time. Sometimes the smaller Rallies are great to really spend time talking and getting to know each other just a little bit more. John and Elaine Tanner made it out of the swamp to spend some time with us. (Rallies are always better with a John Tanner story or two or three!) Elaine, please keep coming, we love y'all!!

We had visitors this weekend, Kate and Stuart Robertson along with their children Pradit (Mr. Super Polite), Jude (The Wheelie Kid) and Charlie (the Pretzel Boy) and the Bush's Bean Dog "Buster" who thinks he's Dad's 100 lb. lap dog 😊. Along with Katie's Mom and Dad (Dean and Linda Frazier) who fit right in with our group like we had been long lost friends. A BIG shout-out and thank you for joining us for a wonderful weekend. Tina and I have a story about Robertson's, while on our travels through the U.P. we met Tim and Patti from the Wisc-Up Airstream Club who told us about this wonderful Christian family who were members of their club and were moving to our area and how we had to meet and get to know them. (Well, a year later and look who we are camping with /Tim and Patti from Wisconsin were right!)

Disc Golf is happening at LCAC, on Thursday Linda Gail, Tina, Billy and Ron had fun chasing discs around Splinter City's 18-hole course. It was so much fun that Billy and Ron had Jack join in for Disc Golf Fun the next two days. A few carloads of women hit the local flea market and shops around town.

Thursday evening appetizers were followed by smoked pulled pork sandwiches with sides. Then Friday evening appetizers followed by Jack's beef vegetable stew w/ salad and bread. Lastly, Saturday morning with eggs, sausage and grits, then that evening with tacos and sides followed by Dean's birthday cake (Happy Birthday). Jack you always know how to feed a group of hungry Airstreamers!

We are so blessed to have such great friends.
