

JUBILEE STATE PARK RALLY

Thursday May 14th through Sunday May 17th, 2026

Rally Host – John Underwood 309/472-3893, call/text

Thursday May 14th - Arrive any time after 3 p.m. (arriving earlier is not a problem)

Jubilee College State Park is a 3200-acre facility located in Peoria County between the towns of Kickapoo and Brimfield, just off US Route 150. This scenic area, with its rolling topography and meandering Jubilee Creek, offers various outdoor recreational activities. This park offers picnicking, camping, equestrian, hiking and biking trails and various hunting opportunities.

Directions:

You can reach Jubilee College State Park from I-74. Traveling west, you will want to take exit 82 at Kickapoo/Edwards Rd. Turn right onto Kickapoo//Edwards rd. and it is about a half mile into Kickapoo then turn left on U.S. Route 150. You will drive for 4 miles and the entrance to the park will be on the right. Those coming from the west should take exit 75, then left onto Maher rd. for about a 1000 ft. then you will make a right onto U.S. Route 150 and drive for 4 miles. The park entrance will be on your left.

Address:

13921 W. Route 150 Brimfield, IL 61517

GPS Info:

40.829999, -89.805833
40° 49' 47" N 89° 48' 20" W

Rate is \$20/day or \$80 total for the rally. All spots are back in with gravel except for a few handicap spots that are concrete, all spots have 30amp electric, there are water hydrants, at

various locations in the camp area and a dump station at the entry into the camping area. I have reserved a handicap spot at 29H. We will have covered enclosures like last year for all the group activities.

Thursday May 14th – 6:30 pm – Bring what you want to grill and a side dish to the group area. The grill will start at 6:00 pm.

Campfire in the group area afterwards.

Friday May 15th – Breakfast on your own.

9:30 am – Meet up and caravan to Peoria. The plan will be to visit one of two venues listed below based on your personal interest.

Caterpillar Visitor Center – Tues-Saturday 10am to 5pm, seniors \$6, 110 S.W. Washington St. Peoria IL. 61602 It is 18 miles from the park.

Peoria Riverfront Museum is right next door to the Caterpillar Visitor Center at 222 S.W. Washington St. Peoria IL. 61602 and opens 10 to 5 daily, \$18 senior price.

There is a lot to see in either of these venues and would be difficult to see both in the same day.

After visiting either, the Visitor Center or the Museum in the morning we could as a group walk the Peoria Sculpture tour in the afternoon which is on the street right outside the Museum. There is a self-guided tour narrated by the artists! Go to the app store and search for “Otocast” there is more information at [Peoria Art Guild](#)

5:45 pm – Meet up and caravan to Double A’s Pizza Sports Bar and Grill, 7716 IL 91, Peoria, IL 61615, PH. 309/692-0800, our reservation is for 6:15 pm.

After returning to the campground there will be a fire in the group area for fellowship and games like the ever popular “Joker” if your new to the club or first time Jubilee rally attendees there are some semiprofessional Joker players that can introduce you to this super fun game.

Saturday May 16th – Breakfast on your own.

9:30 am – Activities to be determined. No formal activity is planned but you may want to return to Peoria to continue touring either of the venues you may have not seen on Friday. Also, in the park there are Saturday tours of the Old Jubilee College Historic Site which dates to the earlier part of the 19th century. A guided tour is arranged through Jesse Gilles 309/243-9489. This is very interesting

Lunch on your own and explore on your own in the afternoon. If you decide to stay in the park, there are a lot of bike trails in addition to the great roads in the park and there are Geocaches and a fishing pond. On the last page of the itinerary there are additional places of interest. There will also be a Cornhole game set up adjacent to the group area and if there is enough interest perhaps a tournament could ensue.

Evening campfire in the group area with good conversation and games or go out to one of many good restaurants located nearby.

Sunday May 17th –

9:30 am – Pancake and Sausage breakfast in the group area, bring anything additional you would like.

Nothing scheduled during the day, the group area is always open to everyone.

5:30 pm – Camp fire and wiener roast, hot dogs and buns provided, bring something to share. This year we have secured **Live entertainment** provided by Benji Lee, he plays and sings many favorites and performs songs he has written himself.

Monday May 18th –

Check out by 3 pm safe travels home, hope everyone had a good time.

Restaurants

There will be a restaurant guide in your goodie bag and a map of eateries close by and here is a summary of those close by:
