# Rally Host Guidebook

Welcome to Camping in the Carolinas, Y'all!

---

## Welcome to the 2026 Palmetto State Airstream Club Rally Guidebook

Thank you for volunteering to host one of our 2026 Palmetto State Airstream Club rallies! Your willingness to step forward and create memorable experiences for our members is at the heart of what makes our club so special. This guidebook has been prepared to support you every step of the way—whether you're a first-time host or a seasoned rally planner.

As you embark on organizing your event, we're delighted to provide the Rally Host Guidebook in two formats: a beautifully designed PDF booklet and an interactive online version. The online edition will continue to evolve throughout the year as rally details are finalized, giving you access to the most up-to-date information and resources whenever you need them.

Our 2026 rallies span the scenic landscapes of the Carolinas and surrounding states, each one offering its own blend of Southern hospitality and open-road adventure. From quick weekend escapes to extended gatherings, the calendar is filled with opportunities for our members to connect, unwind, and explore together. Many of our rallies overlap or roll right into the next, keeping the spirit of community and camaraderie going all season long.

Rally locations have been thoughtfully selected to offer a variety of camping styles—full-amenity resorts, peaceful state and county parks, and even a few boondocking options for those who enjoy a bit of off-grid charm. No matter the setting, each rally is built around warmth, friendship, and the joy of sharing the Airstream lifestyle.

As a host, you play a meaningful role in shaping these experiences. Your creativity and care help set the tone, bring people together, and create memories that last long after the campers head home. We hope this guidebook provides the clarity, inspiration, and confidence you need to craft a rally that reflects your unique vision and the welcoming spirit of the Palmetto State Airstream Club.

Here's to a year of unforgettable journeys, new friendships, and the true spirit of the South. Thank you again for contributing your time, energy, and enthusiasm. We are grateful—and excited—for all that you will help bring to life in 2026!

Warmest wishes,  
**The Palmetto State Airstream Club Leadership Team**

## Purpose

This guide is designed to help Palmetto State Airstream Club Rally Hosts prepare for and lead club rallies, ensuring every event is enjoyable, well-organized, and memorable for all participants. Rally Hosts are club members who volunteer to bring our community together through fun and meaningful events.

---

## Host Responsibilities

Thank you for stepping up as a Rally Host! Your role is to coordinate rally activities and support attendees so everyone has a great experience. You'll work with the club's leadership team to plan events, communicate with participants, and handle logistics such as morning coffees, social gatherings, fireside chats, and group meals.

- Collaborate with the club's President and leadership team.
- Coordinate with the chosen RV park/campground for parking, facilities, and schedules.
- Share your contact information with attendees.
- Designate a safe rally point and emergency exit route.
- Provide information on nearby emergency services.
- Serve as the main contact for any emergency notifications.
- The Rally Host's campsite is typically the "Rally Home"—the hub for morning gatherings and the first evening meet-and-greet.

## Event Planning

Rallies should be fun and stress-free! Keep activities simple and ask for help when needed—co-hosts are always welcome.

- Visit the RV park/campground in advance to confirm facilities and access.
- Plan activities for all participants, considering mobility and interests.
- Coordinate with third-party vendors or organizations for special events.
- Include a daily morning coffee or breakfast gathering at Rally Home.
- Use a group messaging app (like WhatsApp) for real-time communication and updates.
- Consider transportation needs—carpooling or contracted transport may be necessary.
- Clearly communicate any additional fees for special activities and ensure they're approved by the club board.
- Make sure all rally details are posted on the club website and registration forms.

---

## Rally Budget

The standard rally fee covers basic expenses such as communal facility rental, morning coffee, and administrative costs. Meals and alcoholic beverages are typically not included unless otherwise planned.

- Prepare a budget and schedule for review by club leadership.
- Any additional fees must be approved before registration opens.
- Optional activities with extra costs should be clearly communicated and approved.
- Budget items may include:
  - Rally fee

## Welcome to the Sidewalk Café!

### Adventures Begin Here—Southern Style!

Picture this, y'all: It's a golden Carolina afternoon, the air sweet with proud Palmetto trees, casting long shadows over a circle of gleaming Airstreams and the laughter of friends old and new. The air is filled with the scent of Carolina barbecue and the sound of laughter drifting on a gentle southern breeze. Instead of the usual Happy Hour, our rally brings you the Sidewalk Café—a tradition with roots as deep as the Palmetto itself.

The **Sidewalk Café** began in 1956, when Wally Byam's Airstream Caravan rolled through Paris, France. Caravanners, inspired by the city's lively outdoor bistros, pulled up their own chairs and tables, shared refreshments, and watched the world go by. It was more than a social hour—it was a way to connect, swap stories, and make important decisions, all with a dash of European flair.

But here in the Palmetto State, we add our own flavor. Picture gathering beneath the swaying fronds of Palmetto trees, sipping sweet tea or a cool mint julep, and sharing tales of the open road. Each Airstream brings its own table, chairs, and favorite local treats—maybe a basket of hushpuppies or a pitcher of lemonade. The spirit is the same: camaraderie, southern hospitality, and a celebration of adventure.

Whether you're serving wine like the Parisians, a Cuba libre in Havana, cerveza in Mexico, or—true to our roots—a cold Coca-Cola or a classic southern cocktail, the Sidewalk Café is about making everyone feel right at home. It's a tradition that's traveled from the Bois de Boulogne in Paris to the heart of Carolinas, and now, it's yours to enjoy at our rally.

So pull up a chair, bring your best Carolina smile, and join us for an afternoon where adventures begin, friendships flourish, and southern hospitality shines. The Sidewalk Café is more than a meeting—it's a memory in the making.

## Rally Activities

Plan events that appeal to a wide range of members and are suitable for most attendees.

## Registration

Registering for a Palmetto State Airstream Club rally is as easy as sweet tea on a summer afternoon! Our online registration system makes it simple for members to sign up for rallies throughout the year. You'll receive a friendly email reminder before registration opens, so you'll have plenty of time to plan your next adventure. Rally hosts and co-hosts get a special thank-you by registering early for the events they're leading, as a token of our appreciation.

When registration opens, just visit our club website, browse the list of upcoming rallies, and click to view details or sign up. You can pay securely online by credit card or, if you prefer, mail a check directly to our club treasurer. If a rally fills up quickly, don't fret—reach out to the host and ask to be added to the waitlist. Southern patience pays off, and spots often open up for those who wait. Our hosts are always happy to answer questions and help you feel right at home.

---

## Cancellation Policy

We understand that life can throw a curveball now and then. If you need to cancel your rally registration, please let your host know as soon as possible so we can offer your spot to someone on the waitlist. If your cancellation results in any costs for the club, you'll be responsible for covering those expenses. Each rally venue may have its own cancellation policy, and our hosts are here to guide you through the process and answer any questions.

Please don't transfer your spot directly to another member—our hosts will coordinate with the waitlist to ensure everyone has a fair chance. If a refund is due, our treasurer will be in touch to make sure you're taken care of with true Southern courtesy.

---

## Pet Policy

We love our furry friends, and they're welcome to join the fun! For everyone's safety and comfort, pets should be on a six-foot, non-retractable leash when outside your Airstream. Make sure collars and leashes fit well and are in good working order. You're welcome to use a size-appropriate containment system at your campsite.

Pets aren't permitted in buildings or dining areas during meals, except for **working service animals**. Well-mannered dogs can stretch their legs in designated dog parks, and we ask that you always clean up after your pet. Please ensure your pet has an ID tag, so they're ready for any adventure. Southern hospitality extends to our four-legged family members, too!
