Central Indiana Airstream Club – March, 2026

Message from President ~ Kristy Boyer

It's March Madness time, and our 2026 season of camping is right around the corner! By the time this newsletter is released, we will have held our February luncheon and hopefully stirred up your excitement for the season to come. I want to thank those who are stepping up to serve on our board this year, host rallies and offer their time and talents to volunteer in so many ways. Our new 1st Vice President, Brant Suhrie, offered to serve as soon as he joined the club and we couldn't be happier to have his help. But he needs a 2nd Vice President! If you are ready to help ensure our club continues to shine, give one of us a call. We can tell you what the job entails. Truthfully, it's a lot of fun and you get to help plan all the cool camping rallies for the year!

We are also looking for a co-host to help plan an early September Buddy/Grandchild rally at Lake Monroe State Park. It's a very popular destination, so you will want to mark your calendar to grab a site in early March. It's also an IU Hoosier home football weekend, so you know what Barry and I will be doing on Saturday. We are looking into tailgating and ticket options for those who would like to come see the National Champions in action.

Also new to the calendar is our Season Closer at Prophetstown State Park in early October. Thanks to the Bruntlett and Disher families for co-hosting. Another very popular state park, you will want to book this one in early April. Plans for this rally are in the works. Stay tuned!

It's already been a banner year for Indiana and our Central Indiana Club – we are very excited for the great camping season to come.

February Club Luncheon

We enjoyed a truly wonderful turnout for our February Club Luncheon on Saturday, February 28th, where nearly 30 members gathered to shake off the winter chill and reconnect. Among those in attendance were President Kristy Boyer and her husband Barry, along with First Vice President Brant Suhrie and his wife Kristen. Their enthusiasm helped set a lively tone for the afternoon.

The luncheon was held at Saint Joseph Brewery in Indianapolis, a venue that offered not only a unique historic atmosphere but also an excellent meal. The food was delicious, but—as always—the company was what made the day special. Conversations flowed easily, new friendships formed, and longtime members had the chance to catch up and share stories

from past rallies and travels.

There was a noticeable buzz of excitement as we looked ahead to our fast approaching 2026 season. Members are already gearing up for a full calendar of events, beginning with our joint Season Opener alongside the Kentucky Airstream Club at the end of April. With plans taking shape and anticipation building, it's clear that this year promises to be full of great adventures, shared experiences, and plenty of opportunities to enjoy the road together.

Rebus Brain Teaser

A rebus puzzle is a type of brainteaser that uses pictures, symbols, and letters to represent words or phrases. The goal is to decipher the images and letters to form a common saying or expression. For example, a picture of an eye followed by a heart and the letter "U" would represent the phrase "I love you".
