Region 1 Club Members
Airstream Club International
Re: 2026 Region 1 Membership Survey — Please Respond by May 2

Dear Region 1 Members,

Region 1 Leadership is launching our annual Membership Survey to ensure future programs, communications, and regional initiatives are guided by your input.

Take the survey (3–5 minutes): <https://form.jotform.com/airstreamclubregion1/2026-Membership-Survey>

Why it matters

While some local clubs may conduct their own surveys, this region-wide effort helps us see the full picture across all five clubs. It gives Region One a consistent way to understand member interests, track how priorities shift over time, and hear from everyone, including members who may not regularly participate in club activities.

Your responses will help us align regional programs, rally themes, educational sessions, communications, and partner outreach—with what you actually want.

What to know

- **Survey opens:** Thursday, April 23, 2026
- **Survey closes:** Saturday, May 2, 2026
- **Time to complete:** 3–5 minutes
- **Privacy:** Results are reported as club totals only; no individual responses will be shared
- **One response per BRN** — couples and households sharing a membership are encouraged to complete it together

Findings will support region-wide planning and may also help individual clubs better understand their members' interests. Results will be shared with members within 30 days of the survey closing.

Questions or trouble accessing the survey? Contact region1airstreamclub@gmail.com.

Your input directly shapes what Region One does next. Please complete the survey by **May 2, 2026** and help strengthen our region.

Thank you,

The Region 1 Leadership Team
Airstream Club International

A copy of the message sent to your local club leadership across Region 1 is attached for transparency and visibility.
