

President's Message
Brian Mulligan, BRN 29813

To the members of the distinguished Keystone Club:

It's hard to believe it's July already. Sure, time flies by when you're having fun, but wow, midyear already. We have a 250th celebration in just a few days! Hope everyone takes time to celebrate our great country with family and friends. We will be in Oak Island, NC for the 4th visiting some friends, then onto Prosperity, SC and finally to Myrtle Beach.

The Chester Blues rally was a great time to catch up with some old friends and meet many new friends from our club and beyond. Although we were a bit late getting to French Creek Friday night for the burger bar, we did get there and enjoyed a good meal with our club. Saturday was the Blues Festival, and we arrived with plenty of pop-ups and space for us to gather in the shade. The music in the food tent next to us was great; as was the usual BBQ. We all left before the last set was over, and lucky for us, as a significant storm blew in which caused a mass exodus from the festival. Of course, we were all back at our trailers, awnings down. Thanks to our host Kathleen Quinn and all the others who contributed and participated in the rally. I took zero photos, so I was preoccupied and having a good time, or just simply forgot. I'll go with the latter.

What's coming up you may be wondering? Well, the Sampson Region 1 & 2 rally is at the end of July, then onto the Cowtown Rodeo in August. I will be sending out a rally coupon. We will be joint hosting with the Watchung Airstream Club-more details coming soon. I was able to confirm we will have 3 rigs representing Keystone at the International Rally in Minot in August.

Lastly, our club officers are meeting on Wednesday, June 24th to finalize our vendor for Keystone shirts/hats. Each member of our club will be able to place their own orders and have them shipped directly to you. We were not able to get the same vendor to do club flags. We'll share how to purchase club flags, if you are interested. More to come...

Safe travels to all and please, continue to send in pictures of your adventures. Happy Fourth of July and 250th birthday to USA!

Brian
