REGION 1, UNIT 64

New England Airstream Club

[View](#) [Edit](#) [Delete](#) [Revisions](#)

Our membership is eclectic and spans all of the New England states. What we have in common is a love of travel, adventure and making new friends, along with owning one of the most classic of American RV products, the Airstream camper. We love to get together with old friends and welcome new friends while camping in our Airstreams at locations throughout New England. Many of our rallies enjoy good food, campfires, and fun activities in addition to exploring new areas of New England on your own.

Our 2026 calendar of events include lots of opportunities to get together with other members at gatherings, rallies, and rendezvous. Check them out!
