"There's no such thing as a free lunch." We've all heard that one over the years — and with today's fuel prices, it certainly feels true. But here's a bit of good news: **there is such a thing as a free rally... at least when it comes to the rally fee!**

Our upcoming **Silver on the Broad Installation Rally at Broad River Campground, November 5–8, 2026**, does **not** include a rally fee, and we don't ask hosts to prepare meals for this event. Just as we did last year, our Saturday dinner will be catered. All I ask is that you consider volunteering for setup, cleanup, or general helping hands. It's a simple way to serve our club and be part of a meaningful tradition.

If you haven't already, please make your campground reservations and register for the Installation Rally. November at Broad River is beautiful, and this rally is one of the most important gatherings of our year — a time to celebrate leadership, honor service, and enjoy fellowship in the Foothills.

📌 Leadership Updates & Open Positions for 2027

This year, **Kathy Welch** has announced her resignation as our Corresponding Secretary. Kathy has faithfully served in this role **since 2018**, offering eight years of steady commitment, clear communication, and dependable support to our club. Her long service has been a tremendous asset to PSAC, and we are deeply grateful for the time, care, and heart she has invested in our membership. Please join me in thanking Kathy for her years of dedicated involvement.

With Kathy's resignation, the **Corresponding Secretary** position will be **open for 2027**, along with the following roles:

- **Parliamentarian**
- **Membership Chair**

If you feel called to serve or would like more information on any of these positions, there are more details on page 2, or please reach out **Donnie Lee**, directly. These roles are vital to our club's operations, and we appreciate every member who steps forward.

📅 Planning Ahead for 2027

I encourage everyone to review the **2027 Rally Schedule** and plan ahead. Joey & Kerstin recently shared important reminders about early reservation needs for several rallies. Additionally, next year's **Carolinas Jamboree at Mayberry Campground** will have a short reservation window, and the Carolinas Airstream Club will be hosting — so please plan accordingly.

While we share updates on [Facebook](#), the [PSAC website](#), and through email, the **Bell Ringer** remains your most comprehensive source for rally details, club news, and important reminders. Be sure to give it a look each month.

Fall colors are slowly emerging here in Western NC, reminding me how quickly time marches forward. Before we know it, 2026 will give way to 2027. For now, this is my favorite season to be outdoors, and I hope you're able to enjoy the crisp air and changing leaves wherever you are.

Safe travels to all, and thank you for your continued involvement in our club.

See You Down the Road.

Be blessed,

Charlie
