Bacon Wrapped Taco Pickles (Round Two)

Pickles and Bacon are two of my favorite foods to eat and cook with. This pair up just has to be a match made in heaven. Round one as you recall came out a little lackluster. There just was not enough flavor development and Pop that I wanted to taste. Boy did I fix that in round two.

Grillo's pickles with three tablespoons of your favorite hot sauce and one package of Taco seasoning added. Shake vigorously and let sit overnight in the refrigerator.

Remove the pickles, wrap snugly with bacon and season with Rib Rub all sides.

Grill on your favorite pellet grill 400 degrees until the bacon is cooked to your liking.

All I can say is You Gotta Try This! It's a flavor explosion in your mouth with every bite. Cut each spear into 1/4's, stick with a toothpick and serve for an Airstream Happy Hour!

If you really want to do it up, find yourself some Pickle Beer to wash it down.

Happy Travels!

President's Message

Looking Ahead – We Need Your Help!

Hello Friends,

As we enjoy the wonderful weather and all the fun rallies this summer, it's the perfect time to start planning for another great year together. One of the things that makes our Airstream club so special is that our events are created *by members, for members*. Every luncheon, rally, and gathering happens because someone volunteers to make it happen.

As we look ahead to the next 12 months, we're asking for your help filling our calendar. We're currently looking for:

- **Winter Luncheon Hosts** (January, February, and March, April)
- **Rally Hosts** for the upcoming camping season
-

Hosting doesn't mean creating an elaborate weekend or planning a five-star event. In fact, some of our favorite gatherings have been the simplest ones—a lunch at a local restaurant, a campground potluck, or an afternoon exploring a nearby attraction. The goal isn't perfection; it's bringing our members together to enjoy each other's company.

Planning ahead helps everyone. When our calendar is filled early, members can reserve campgrounds, make travel plans, and look forward to another fun year.

If you've ever thought about hosting, now is a great time to step forward. You'll have plenty of support from me and from other members of the club, you won't be doing it alone. Be sure to check the **Upcoming Events** section of this newsletter for details on what's already planned—and then consider where you might be able to help fill in the months ahead.

Call me or text me if you have any ideas for future gatherings. I know you must have a favorite restaurant, or campground you'd like to share. Or a an idea for a fun gathering we haven't done yet. 412-956-3664.

Our club is also in need of a few other positions filled. 2nd V.P. and a director position. Please consider taking on one of these rolls. Call me if you have any interest and I tell you about how much fun you'll have doing it!

Thank you for helping keep our Al-Mon-O group active, welcoming, and full of adventures. We look forward to another wonderful year together!

Happy Camping

April

Gifford Pinchot Joint Rally a Great Success - by Cody Klingler

Our joint rally with the Washington, D.C. Unit at Gifford Pinchot State Park was another reminder of what makes this club so special. Great people, great food, and just enough good weather to make for a wonderful weekend together.

Mother Nature certainly tried to keep us guessing, but aside from a few showers, the rain mostly held off and allowed us to enjoy everything we had planned. We couldn't have asked for much better conditions.

Of course, no rally is complete without good food, and this one definitely delivered. We enjoyed Walking Tacos on Thursday evening, Hobo Stew on Friday evening, an outstanding breakfast to start the day on Saturday, and wrapped things up with a delicious potluck that showcased everyone's favorite dishes. Nobody went home hungry!

One of the highlights of the weekend was our special guided tour of the Pennsylvania Capitol Building. It's easy to forget what an incredible landmark we have right here in our own state, and the tour gave everyone the opportunity to appreciate its beautiful architecture and fascinating history.

A rally like this doesn't happen without great hosts. A sincere thank you goes to Lisa from the Washington, D.C. Unit and our own Matt for all the planning and hard work they put into making the weekend such a success. Their efforts made everything seem effortless, allowing the rest of us to simply relax and enjoy the fellowship.

Perhaps the best part of the weekend, though, wasn't on the schedule at all. It was the conversations around the campground, catching up with old friends, meeting new ones, and enjoying the kind of camaraderie that keeps us coming back rally after rally.

Thanks to everyone who joined us at Gifford Pinchot. We can't wait to see you at the next adventure!
