OFFICIAL NEWSLETTER OF THE AL-MON-O PA AIRSTREAM CLUB, #131

FROM YOUR PRESIDENT

From the 1st VP - Joel Weber

Greetings Fellow Streamers!

April and I just returned from the Region 2 Rally that was at the Poconos Race Track and what a rally it was! We had an absolute blast of a great time. The weather was cold and rainy when we arrived on Thursday. It did clear out and warm up by the time we left. There was an unplanned fireworks event that we were told about by the track staff during the Corn Hole tournament. We were appreciative of the heads up as our dog Greta does not like the big booms at all. I can honestly say growing up in Pleasant Hills the 4th of July community fireworks were always great. I have seen many displays over the years for other events but I was not prepared for what we viewed at the track. The Grand Finale left me completely speechless. I had to ask April did we just see what we did? Too difficult to describe in a newsletter.

I have an update on my window caulk repair. It has been raining for three days straight here in Greencastle PA. I went out to check on the camper and the window I caulked was dry as a bone. The one on the other side, not so much. It was damp and mold was growing at the base under the plastic grey trim piece. Looks like I will be re-caulking it as well. I am looking forward to seeing all of you down the road this summer.

President's Message

Hello Friends,

There are certain joys in camping that we plan for, the campfires, the laughter, the meals shared, the familiar faces, but sometimes the very best moments are the ones we don't see coming.

The Region 2 Rally in the Poconos reminded me of that in the best possible way. Somewhere among busy schedules, conversations and the usual rally excitement, one evening we found ourselves sitting beneath an incredible fireworks show. (It wasn't on the schedule, just another event at the venue that happened to be coinciding with our rally.) And it was a display like I've never seen before! It was so big, so spectacular, I thought for a moment I was dreaming. For a while time seemed to stand still. Camping has a way of giving us these magical little surprises.

In a world where so much of life now happens through screens, comments, notifications and endless online noise, there's something refreshing about sitting in a campground talking face to face, just people sharing stories telling jokes and laughing...enjoying each other's company the old-fashioned way. That may be the true gift of weekends like this. We leave with something valuable, reminders of how good a simple human connection can feel and a complicated world. Perhaps that is one of camping's greatest joys.

Looking ahead (to more surprises) we have The Pennsylvania State Rally June 25 -28 in New Castle, PA. Then onto Gifford Pinchot State Park in July for our joint rally with WDCU. July 16-19. Then at the end of July the Sampson Rally at Sampson State Park in Romulus NY. This is July 30-August 3

I'm Looking forward to camping with you there.

April

Fast Cars, Great Friends, and a Fantastic Region 2 Rally! - by Cody Klingler

What do you get when you combine Airstreamers, Pocono Raceway, amazing food, friendly competition, and a whole lot of laughter? One pretty incredible Region 2 Rally!

AI-Mon-O was well represented with four trailers and seven attendees making the trip, and I think it's safe to say we all left with full stomachs, happy memories, and maybe a slightly stronger appreciation for speed.

The Region 2 team put together a wonderful event from start to finish. There was always something happening, but there was also plenty of time to relax and enjoy what rallies are really about — spending time with friends, meeting new people, and sharing the Airstream lifestyle.

And let's talk about the food for a moment... because wow! The catered meals were outstanding, and the potato bar deserves special recognition. There's just something about piling toppings onto a baked potato that feels oddly perfect at a rally. Nobody went hungry!

One of the highlights of the weekend was the tour of Pocono Raceway. Getting a behind-the-scenes look at the famous "Tricky Triangle" was fascinating. Seeing areas of the track most fans never get to experience gave us all a greater appreciation for what goes into race day.

Of course, for some, watching racing wasn't enough. Past President Matt Moore took things to the next level by participating in the racing experience, and I think many of us enjoyed cheering him on... from a perfectly safe, much slower distance! It certainly added to the excitement of being at such a unique venue.

Back on more traditional rally turf, the corn hole tournament brought out everyone's competitive side. Whether you were aiming for the perfect toss or just enjoying the sideline commentary, it was all in good fun — and isn't that exactly how rally competition should be?

But honestly, what made the weekend special wasn't just the track tours, activities, or even the excellent food. It was the people. The conversations between events, the laughter at happy hours, catching up with old friends, and making new ones — those are the things that stick with you long after the rally ends.

A huge thank you to President Patti Galupo, 1st Vice President Matt Moore, and the entire Region 2 team for all the work that went into making this rally such a success. Your planning, hospitality, and enthusiasm were evident throughout the weekend.

We're proud that AI-Mon-O had a strong showing, and if you missed this one, hopefully we'll see you at the next Region 2 gathering in Ocean City, MD. Trust me — you'll want to come hungry, ready to laugh, and maybe prepared to discover your inner race fan.

Region 2 President's Message - by Patti Galupo

Back to basics.

What do cornhole tournaments, stuffed baked potatoes and Bingo have in common? Answer: the essential ingredients to launch a successful Region 2 Rally! What is missing? Answer: the campers who show up! And show they did; over 100 of them.

That's how it started at the Pocono Raceway a couple of weekends ago. Add in a somewhat typical mountain weather report; very cold and blustery. But it's really hard to knock our crew down. Just for yucks, if you wanted to get your blood boiling, then you could have paid a few bucks to ride 160mph around the track. I did. It was exhilarating, and I'm not even a fan. But when I think about all of it; the basics just brought folks together; it's up to us to make it happen. And that's the point; our campers seemed to revel in these simple things of yesteryear. A great meal, the competitive spirit, and remnants from church basements and musty auditoriums across Americana; the Bingo Hall.

Many thanks to all of our volunteers who made this happen. It's the marquis event of any region; and the smiles made it all worthwhile. We work very hard to get these things rolling and on the calendar 18 months prior to launch. We hope that we'll get some return customers and then some for our May 2027 Rally in Ocean City, MD. Be on the lookout for details and registration info later in the summer.

And, be on the lookout for a more comprehensive article about the rally in our next issue of The Region 2 Beat. There are many side stories and human-interest anecdotes too lengthy to put into this message.

In other news; I am happy to announce the addition of New Jersey Unit President Jim Lorden to the Region Board. We installed Jim during a special meeting on May 19th to serve as our 2nd VP. Jim has many skills that will bolster the region, including his professional standing as an accountant and well experienced in governance and best practices. Matt and I are thrilled to have the extra help; and Jim brings a dimension much needed by the region. Congratulations Jim!

That's all for now folks. Most of us are on the move attending rallies and caravans. Enjoy the summer and we'll see you down the road very soon! Next up, Sampson; the R1 and R2 Joint Rally.

Patti
