President's Message

Hello all,

I would like to start with how much fun we had at the joint rally with Louisiana. The Crawfish feed and Chilli contest were great. Doing joint rallies with others in our region is a good opportunity to improve our own rallies. It would be most appreciated to hear from those who attended. What did you like about the rally, and what did you dislike?

We have two additional club rallies planned for this year plus Region 6 and International.

We have not yet appointed a nominating committee. I need three members to serve on the committee. If you are interested in serving let me know ASAP; otherwise I will just appoint three members.

We need to elect the minimum of President, 1st Vice President, 2nd Vice President, Treasure, Recording Secretary, Corresponding Secretary and one Trustee/Director. Selma has agreed to serve for another term as Treasurer and Blake has agreed to continue as Recording Secretary and Corresponding Secretary. If we can select at very minimum a 1st VP who can serve as president in 2028 and if elected, I will serve one more term as President. It is imperative to fill the other positions. Even if you are new to the club, consider serving in a leadership role. Our club can't go on without a full slate of officers. Call me if you are even a little interested.

Over the next two years I would like to add rallies to the four we currently do, but I can't do that without your help. If you have ideas for an upcoming rally, and/or would like to host one let me know as soon as you can so we can get them scheduled. We need rallies that will attract new members as well as retain our current members. Ideas are appreciated.

Thank you,

Randall Colston

Mary and I visited Grand Ecore the day before the joint rally in Louisiana. Natchitoches is a very historic town. Please make reservations as soon as possible. I reserved 15 sites, but we can ask for more if needed. Grand Ecore is one of the nicest parks we have been to. Natchitoches is the oldest town in the Louisiana Purchase (1714). There are a lot of places to see that you would likely miss if you only went during the Christmas Lights celebrations. The best time to reserve a site is on Monday, ask for Debbie and tell her you are with the Mississippi Airstream Club. Our reserved site numbers are 36-50. I would love to have our affiliates join us. This will be a great rally. More to come.
