Volume 2 | Mid-Summer 2026 | Issue 4

Welcome to the Emerald Coast Airstream Club!

Hello Emerald Coast Airstream Club Family,

I hope everyone is enjoying a wonderful summer filled with safe travels, new adventures, and plenty of time making memories with family and friends.

As we reach the middle of summer, it's also a great time to start looking ahead to our upcoming fall and winter rallies. We have some amazing gatherings planned, and they simply aren't the same without all of you. Go sign up for a rally!! Our 2027 schedule is also already out with reservations open and registration up and running for most of them on the ACI event page.

Registering early helps our hosts and rally planners make the necessary arrangements for campsites, activities, meals, and special events. It also helps us ensure everyone has the best possible experience. If you have to cancel, please let the host(s) know, there may be another member willing to take over your reservation.

If you're new to the club or have been thinking about attending your first rally, I encourage you to come join us. You'll find a welcoming group that's always happy to meet fellow Airstream enthusiasts, share travel tips, and enjoy the fellowship that makes our club so special.

I also want to extend my sincere thanks to our officers, board members, rally hosts, and volunteers. Your dedication and countless hours of work make every event successful, and thrive because of your commitment.

Safe Travels,

Randy Shropshire

Celebrating 70 Years of International Rallies

In 2027, we're heading west and honoring a milestone—returning to Rock Springs, Wyoming for the 70th Airstream Club International Rally.

Sweetwater Events Complex
Rock Springs, WY
June 26–July 1, 2027

Each summer, Airstreamers from across the country (and beyond) come together for one unforgettable week—and this anniversary year promises to be something special. Set against the wide-open landscapes of southwest Wyoming, Rock Springs provides the perfect backdrop for a rally built on connection, exploration, and tradition.

What makes the International Rally a standout event?

It's six days packed with opportunities to learn, explore, and celebrate the Airstream lifestyle. Whether you're a first-time attendee or a longtime ACI member, you'll find something here for you:

- Dive into seminars and workshops led by knowledgeable presenters covering everything from maintenance and upgrades to travel tips, club history, and more
- Browse the largest Airstream-focused marketplace of the year, featuring dozens of vendors offering gear, services, and unique finds
- Reconnect with friends and meet fellow members through shared meals, social events, and those spontaneous campground conversations that become lasting memories
- Stay active with a variety of recreational options, from group fitness and games to dancing and outdoor fun
- Be part of something bigger through service projects and opportunities to give back to the local community
-

The International Rally is more than just a date on the calendar—it's THE Airstream event of the year!
