Stephen F. Austin State Park

Park Road 38

San Felipe, Tx 77473

Hosts: Tom and Caren Bundy and Alan and Bernadine Billard.

Join us to learn about the Austin Colony in San Felipe that was abandoned after the Alamo fell to Santa Ana, and to visit Bob Supina's hanger to view his Packard Car Collection in Richmond, Texas. The park also has a public golf course.

GHAC has reserved and paid for 25 sites and the dining hall and the costs for the site are included in the rally fees. You will be responsible for paying the daily park access fees if you do not have a Texas State Park Pass. These sites will be allocated on first come, first served and will be assigned by the hosts. The ranger station at the park entrance will have a spread sheet with the site assignments and the staff will direct you to your site.

This is a buddy rally. Invite a friend to join us with their rig.
