A Note from The President:

Dear Fellow Airstreamers,

Here we are in the middle of March already and we are still planning wonderful events for our Airstream club family.

We had 12 rigs at the Region 3 Rally held in Lakeland, Florida. There were many informative seminars, interesting activities and vendors as well as enjoyable meals. Some of members danced the night away on Margarita night. It was great fun, fellowship and a learning experience for us all. Many thanks to Henry and Melinda Knight for organizing and leading our club mini caravan of 10 rigs that entered and parked together. It was my honor to carry our club flag at the opening ceremony and represent our club as your president in the Region 3 Executive Board meeting, where I gave an update about our club.

Our next club rally will be held at

Santee State Park April 9-12.

251 State Park Rd

803-854-2408 or 866-345-7275

Santee State Park is sprawled along the shores of Lake Marion in Santee Cooper Country. The Park is 2500 acres and well known for its large catfish population! The Park has two campgrounds Cypress View and Lakeshore. The club has rented Shelter #1 at Cypress View where most of our activities will take place. The campgrounds are four miles apart, so plan accordingly. Top things to see and do include boating, fishing, birding, wildlife watching, hiking, biking and hanging out with your top airstream friends!
